The 1983 Garnett Yearbook Is Proudly Dedicated To Ray Meyer — Coach and Teacher at Garnett High School for 34 Years

The 'gone fishing' sign is now posted on Ray Meyer's mailbox at Garnett High School because 'Coach' has traded his gradebook for a fishing pole. After 34 years and 3,500 students Mr. Meyer retired at the end of the 1982-83 school year.

Coach's career began in 1942 at Westphalia, Kansas where he taught shop, physical education, agriculture and coached the football team. He coached the last football team from Westphalia that played against Garnett.

In late 1942 Ray was drafted into the Air Force, serving until 1945. After his release from the service in 1946 he taught one semester at Morrill, Kansas, and then taught and coached for three years at Horton, Kansas.

In the fall of 1949 Ray and Mabel Meyer and their two sons, Ray Jr., and Duane came to Garnett. From '49 until 1966 Ray coached football, basketball and track. He then coached basketball until 1973 and track until 1974. In 1975 Ray started the golf program at GHS which he has coached very successfully until the present time. His 1983 boys golf team finished second in the state competition of 4A schools.

Coach Meyer was also successful as a track coach. He related that one of his career thrills was winning the conference track title in 1974.

Ray has many fine memories of football teams too. He also enjoyed and appreciated the fans who in the fifties chartered trains to such Tri-Valley League towns as Cherryvale and Fredonia. An entire trainload of Bulldog rooters would 'take the train to watch Garnett play'.

When questioned about future plans he commented, "I need to paint the house. But there are also so many fish to catch. Maybe I'll paint the house next winter or the winter after that."

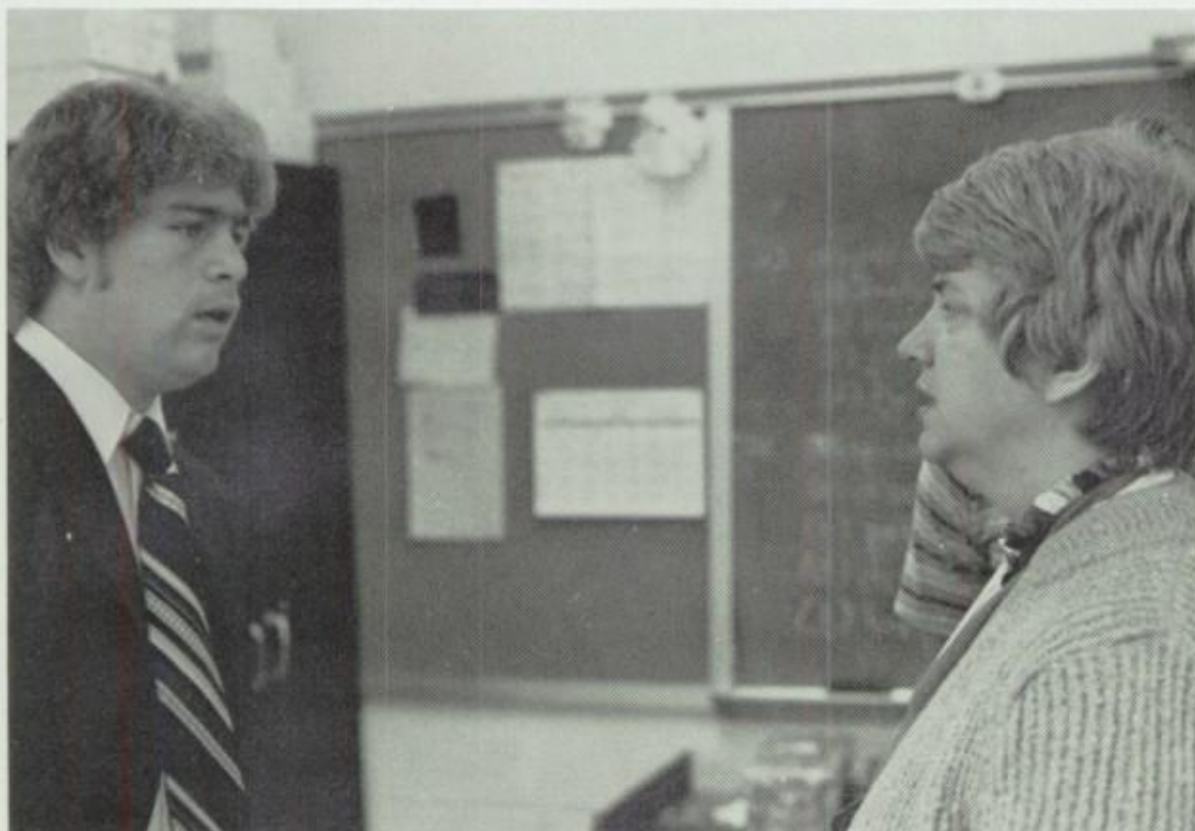

The country is the richest
Which nourishes the greatest number of
Noble and happy human beings.

IF-

If you can keep your head
when all about you
Are losing theirs
and blaming it on you;
If you can trust yourself
when all men doubt you,
But make allowance
for their doubting too;

Jim Wolken takes time out from English to pose for the camera.

David Lybarger addresses the Spirit Club while bodyguards, Jeff Cox and Eric Brummel, oversee the meeting.

If you can wait and not be tired by waiting,
Or, being lied about, don't deal in lies,
Or, being hated, don't give way to hating,
And yet don't look too good, nor talk too wise;

What do we do next? Mick Blaufuss knows and Sharon Wolken are about to find out.

Winter Homecoming Royalty: Sherri Hawes, queen, David Sobba, king.

Varsity cheerleaders entertain at halftime.

David Lybarger makes a presentation at an FFA meeting.

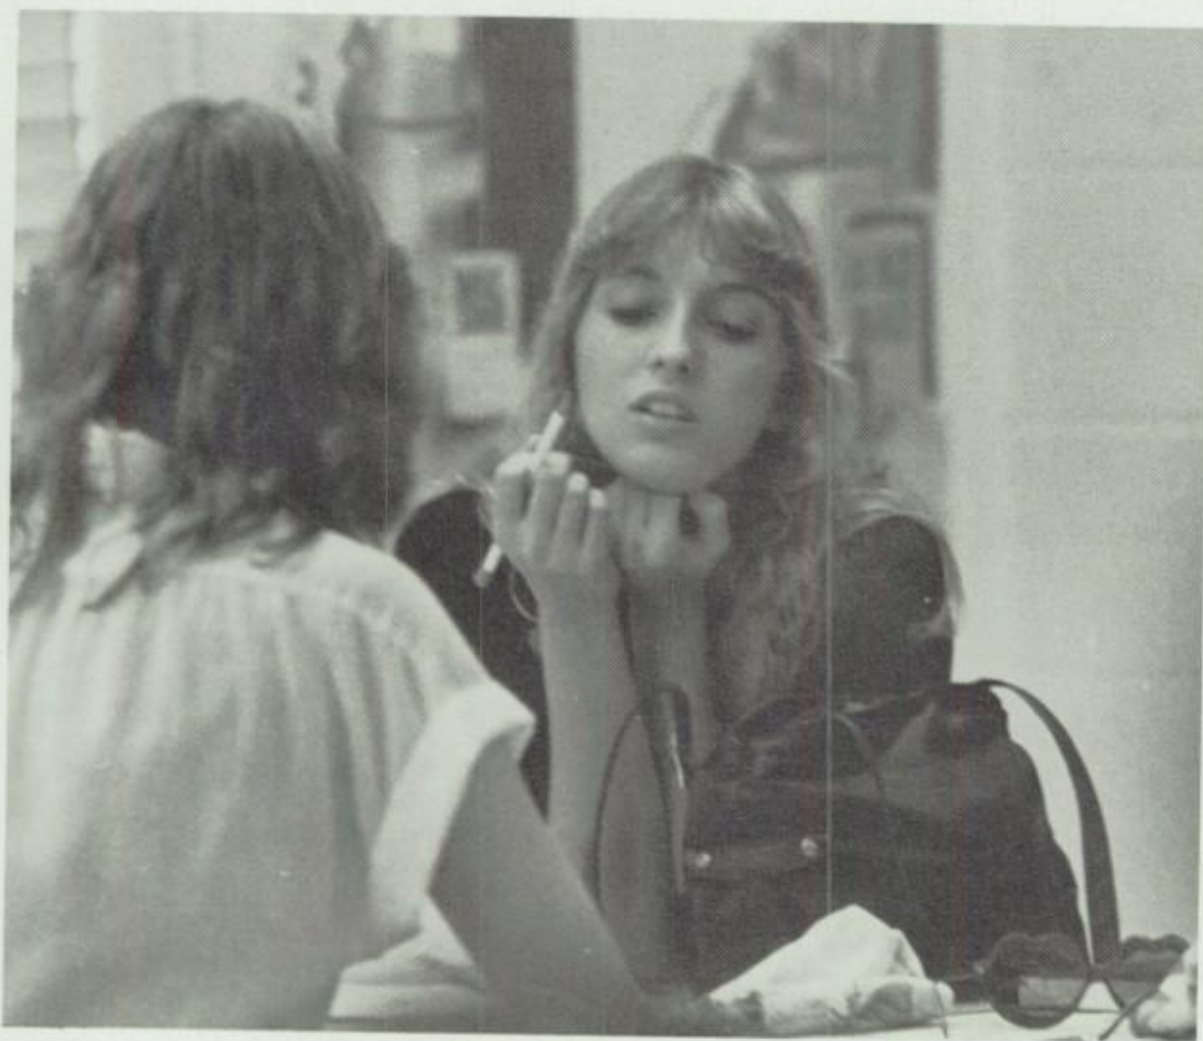

"What a time I'm going to have tonight." thinks Ann Mader.

Alan Stephens and Marvin Grimes prepare for the noon volleyball contest.

If you can dream-and not make dreams your master;
If you can think-and not make thoughts your aim;
If you can meet with triumph and disaster
And treat those two impostors just the same;

"I'm not going to do this!" protests Tracy Lytle.

Jeff Wilson is imagining a full weekend without College Prep. English.

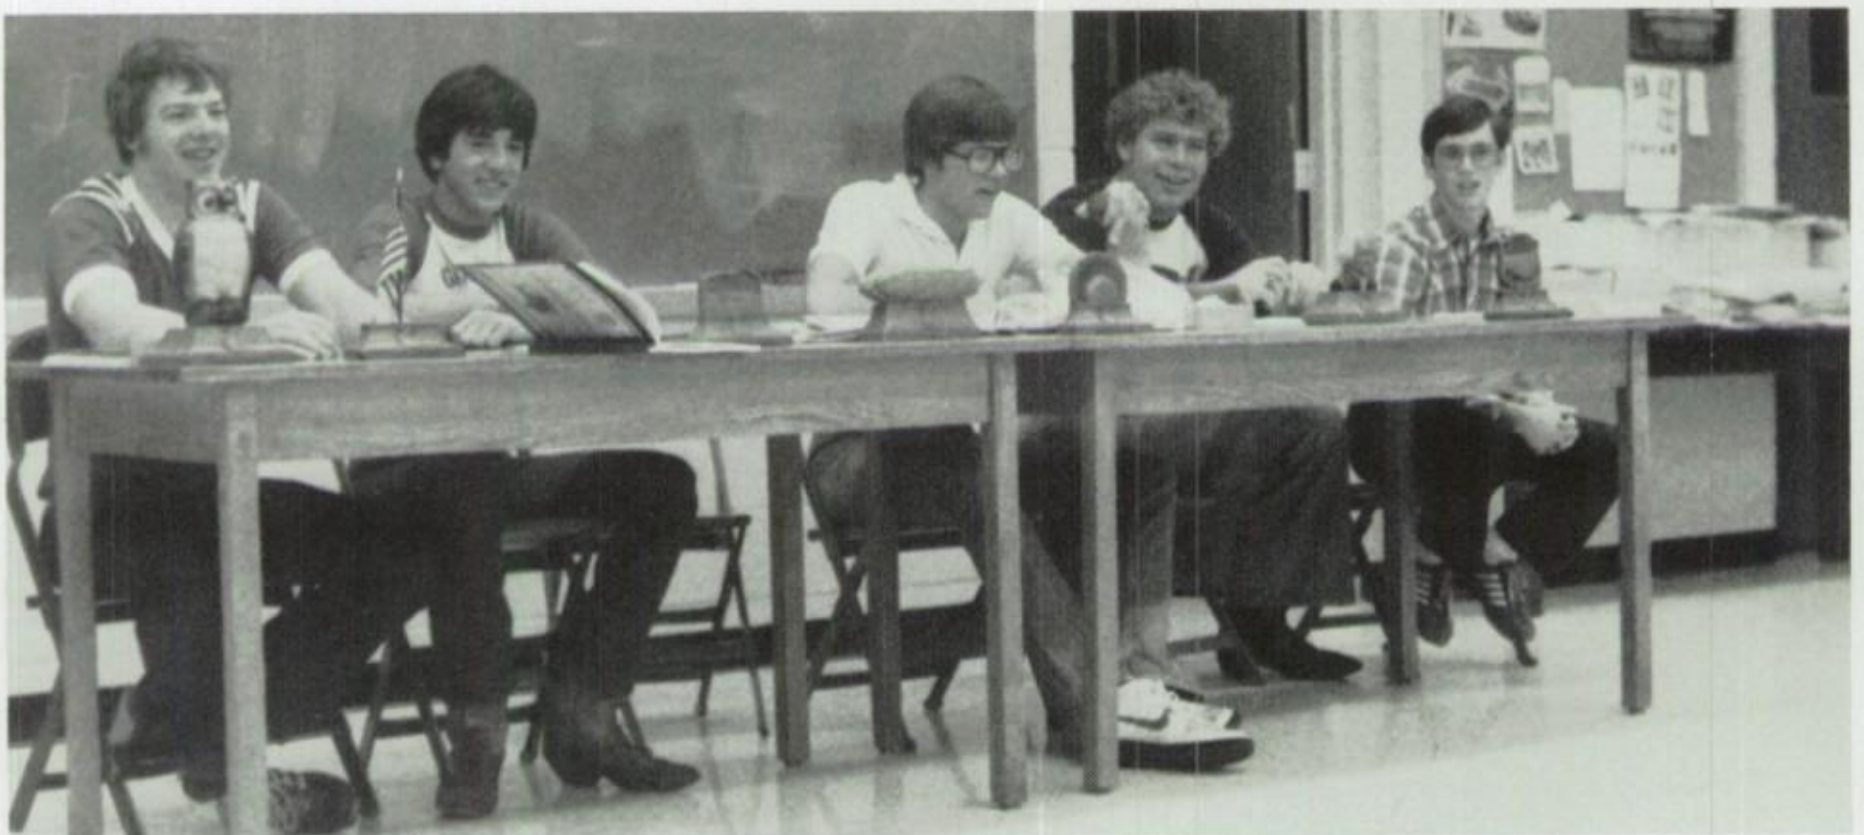

When Coach Wells says jump, the response is, "how high."

If you can bear to hear the truth you've spoken
Twisted by knaves to make a trap for fools,
Or watch the things you gave your life to broken,
And stoop and build'em up with wornout tools;

"Ah, how the wife will look with this on, or off," thinks Col. Brackett (David Lybarger).

The future school board of U.S.D. 365 now conduct an FFA meeting.

If you can make one heap of all your winnings
And risk it on one turn of pitch-and-toss,

Gov. John Carlin expresses hope for himself as well as for the football team. Men — how about 1983?

And lose, and start again at your beginnings
And never breathe a word about your loss;

Jeff Cox rises to the occasion to start the first half of the game against DeSoto.

The GHS Jazz Band, and alums, entertain the crowd at a home basketball game.

The Capitol building of Kansas in Topeka.

If you can force your heart and nerve and sinew
To serve your turn long after they are gone,
And so hold on when there is nothing in you
Except the Will which says to them: "Hold on";

"Party Platform? Is that made of 2x4s or 2x6s?" debates Jerry Howarter, chairman of the Bowhunters Party.

"If elected Pres. of GHS, I promise everyone will be out for football." campaigns Richard Wells, "Radical" Party candidate.

Gov. John Carlin addresses a joint session of the 82-83 Model Legislature.

David Lybarger and Sherri Hawes Go out in style.

John Graham, "future physician" sees physics in his near future.

Future Senator Jeff Cox — representing all evil.

If you can talk with crowds
and keep your virtue,
Or walk with kings-
nor lose the common touch;
If neither foes nor loving
friends can hurt you;
If all men count with you;
but none too much;
If you can fill
the unforgiving minute
With sixty seconds'
worth of distance run-
Yours is the Earth
and everything that's in it,
And-which is more-
you'll be a Man, my son!

THE OAK

Live thy Life,
Young and old,
Like yon oak,
Bright in spring,
Living gold;

Summer-rich
Then; and then
Autumn-changed,
Soberer-hued
Gold again.

All his leaves
Fall'n at length
Look, he stands,
Trunk and bough,
Naked strength.

Sophomores: 2 Down, 2 To Go

The 1982-83 homecoming for the sophomores was a very rewarding time. They won first with their float saying "Stomp'em". Also, the sophomores won first in hall decorations. The sophomores had an unfortunate accident in the homecoming bed race. Candi Worley and Lynn Wilson were the attendants. Winter homecoming attendants were Dorothy Hass and Doug Erhart. There were many other busy sophomores this year too. Anita Dieker, Todd Barnes, Kim Fooshee, Stacy Hodgson, Tara Peine, Lynn Wilson, and Diane Miller were cast members of "South Pacific". Anita and Diane were also members of the Generation Singers. Angie Miller was elected to a state office in F.H.A. Terry Lewis, and Todd Barnes appeared in the all school play, "The Odd Couple".

New Administration Makes Changes

Mr. Cochran is a very busy man as he is always trying to do two or more things at once.

Mrs. Mary Rickabaugh and Mrs. Shirley Gibson are shown in the office doing their usual but very important duties.

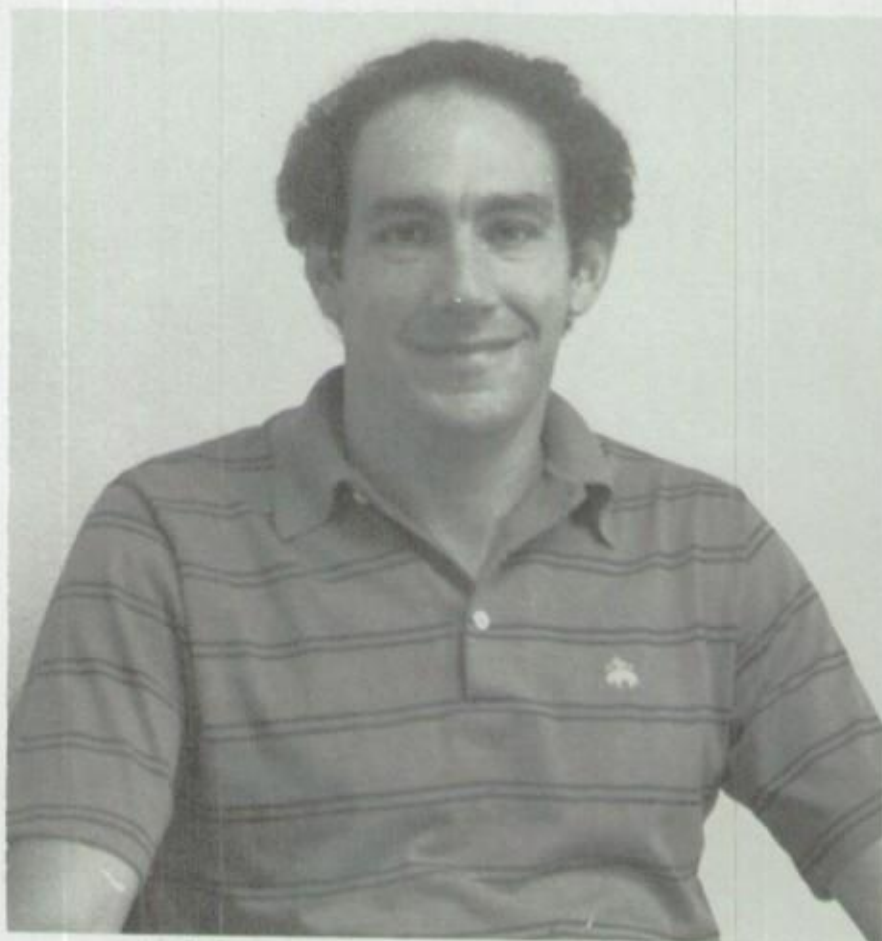

Many changes have taken place this past year. One of them occurred in the office staff. Mr. Walter Cochran is now principal. The new vice principal is Mr. Robert Finger. Mr. Finger is from Herington, Kansas, and was vice principal there the past two years.

Mr. Charles Mansfield has assumed duties as superintendent last July. This is his fourth year in the district. His first year he was principal of G.H.S. and the last two years he has been assistant superintendent.

Another change this year concerned unexcused absences. This year four unexcused absences meant a five day suspension, whereas last year only two unexcused absences were allowed.

Mr. Walter Cochran announced his resignation towards the end of the 1982-83 school year. He accepted a position as an assistant principal and athletic director at Nevada High school in Nevada, Missouri. There are approximately 800 students there. Mr. Cochran said what he would miss the most would be "the great attitudes of the students and the smiles on their faces."

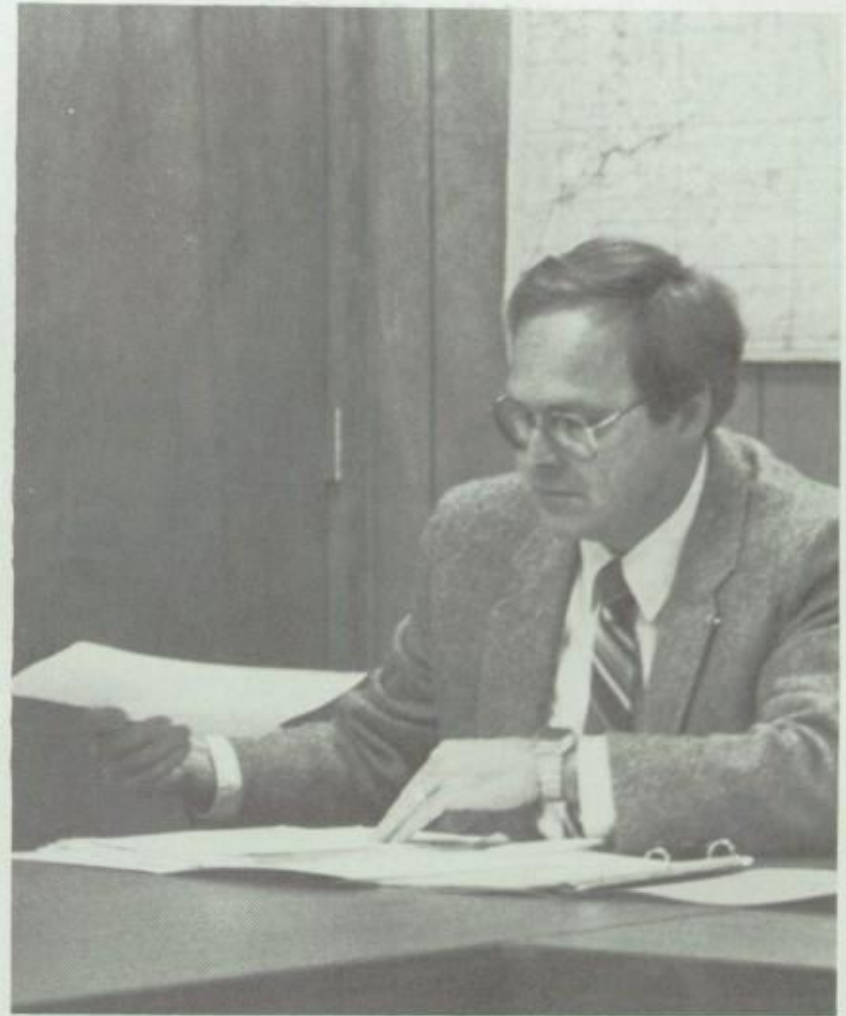

Two of the most over-looked people at G.H.S. are the secretaries. Who do you think keeps track of all the absences and tardies? Mrs. Shirley Gibson and Mrs. Mary Rickabaugh, that's who. Mrs. Gibson also records grades and Mrs. Rickabaugh is head book-keeper at G.H.S.

Mr. Finger pauses a moment to smile for our cameras.

Clyde Parks, Superintendent Charles Mansfield and Bill Craig discuss the meeting agenda.

Superintendent Mansfield is shown checking his notes before a board meeting.

Three new faculty members were added this year. Miss Dee Ann Clark replaced Mrs. Mary Anderson who retired after 25 years in the home economics department. Miss Clark was a first year teacher and a graduate from Emporia State University.

Mrs. Jo Ann Onweiler was hired to replace Mr. Jim Morgan in the mathematics department. She taught developmental math and algebra A and B. Mrs. Onweiler previously taught in Illinois and Colorado.

Mrs. Linda Coffman was in charge of the interrelated studies program. Mrs. Coffman is from Yates Center and has taught there and also in Iowa.

There was a new name, but not a new face in the art department this year. Miss Lois Bredehoft changed her name to Mrs. Henry when she was married July 17, 1982 to Lee Henry. Congratulations, Mrs. Henry!

The room next to the library was converted to a much-needed audio-visual room. It was tastefully decorated in brown paper shades and army surplus. The

teachers now had to run projectors and recorders themselves. Several teachers had to brush up on these skills since A.V. students had done this in previous years. This also lowered the mortality rate for A.V. equipment since it was usually carried from room to room and occasionally dropped.

A major improvement in our library is Garnett's involvement with the inner library loan system. This system allows students and staff to order books from libraries all over Kansas. Many students and teachers used this system throughout the year. All the credit for this improvement goes to librarian, Marilyn Shelley.

Even though he tried very hard, Jerry Howarter did not get his deer this year. Good luck next year, Mr. Howarter!

If I had a child who wanted to be a teacher, I would bid him Godspeed as if he were going to a war. For indeed the war against prejudice, greed and ignorance is eternal, and those who dedicate themselves to it give their lives no less because they may live to see some fraction of the battle won.

Semester Courses Replace Mini-Courses

This past year a major change was made in the English department. Semester courses were offered instead of nine week mini-courses.

Miss Catherine Burjes taught freshmen and juniors the first semester, then research and advanced composition and great American writers. Mrs. Shirley Windsor also taught freshmen and juniors the first half of the school year then she had Shakespeare and symbolism, illusion, and mythology. Freshmen and sophomores were taught by Mrs. Cheryl Studna the first semester and mystery, science fiction, and the unexplained the second half of the year. Miss Deborah Umbarger was busy with junior and senior English classes the first semester and then she taught English in the working world, semantics, and linguistics, and Great British writers. When Miss Jane Feuerborn wasn't busy correcting copy or approving layouts for the journalism classes, she was getting prepared for her other classes which were speech and the media, and college prep English.

The college prep class visited the library at Emporia State University in April. Miss Burjes' junior English class and Miss Umbarger's English in the working world class had various interviews with people from the community.

Miss Burjes received her B.A. in English education from Bethany College. Miss Umbarger received a B.S.E. in English and social science from Emporia State University. Mrs. Windsor attended Wichita State University and received her B.A. in English. Mrs. Studna received a bachelor of science from Kansas University. Miss Feuerborn attended Saint Mary College in Leavenworth and received a B.A. in English and drama. She also attended Emporia State University and received a M.S. in guidance and counseling.

Nancy Miller is working hard to complete her assignment for English.

Miss Umbarger says, "If you two don't stop playing catch, I'll make you reroof this mobile unit."

It's obvious that Miss Umbarger has posed a very difficult problem.

Foreign Finesse Featured Here

Miss Dennis says, "Bonjour Entrez!"

Shirley Hempling says, "All I need is Rue de la Paix!" (Boardwalk)

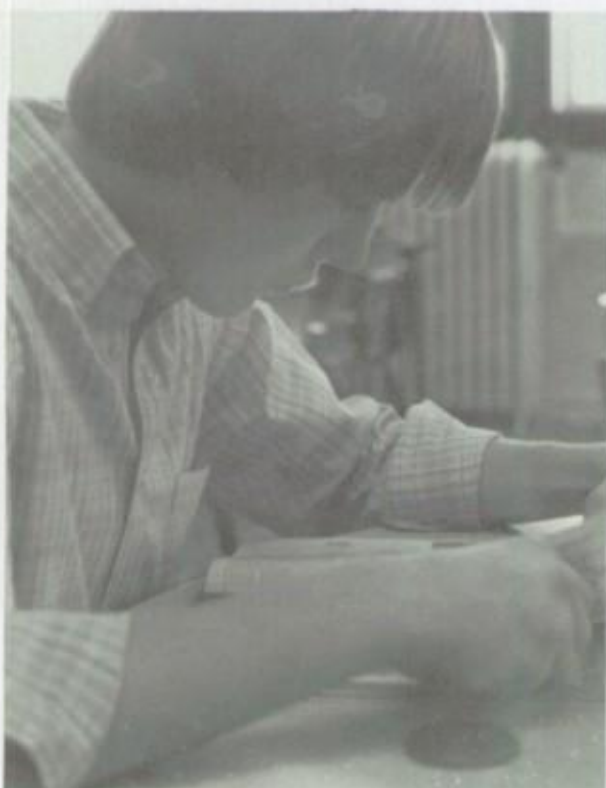

Is this a serious student-teacher discussion?

Due to a reduction in the staff, Miss Anita Dennis teaches all the foreign languages. She teaches French I, French II-III, Spanish I, Spanish II-III, and Spanish IV which is independent study. This is quite a load on one teacher so every once in a while Miss Dennis takes her classes on field trips. In May she planned trips to Spanish (Mexican) and French restaurants. They also did some cooking in class.

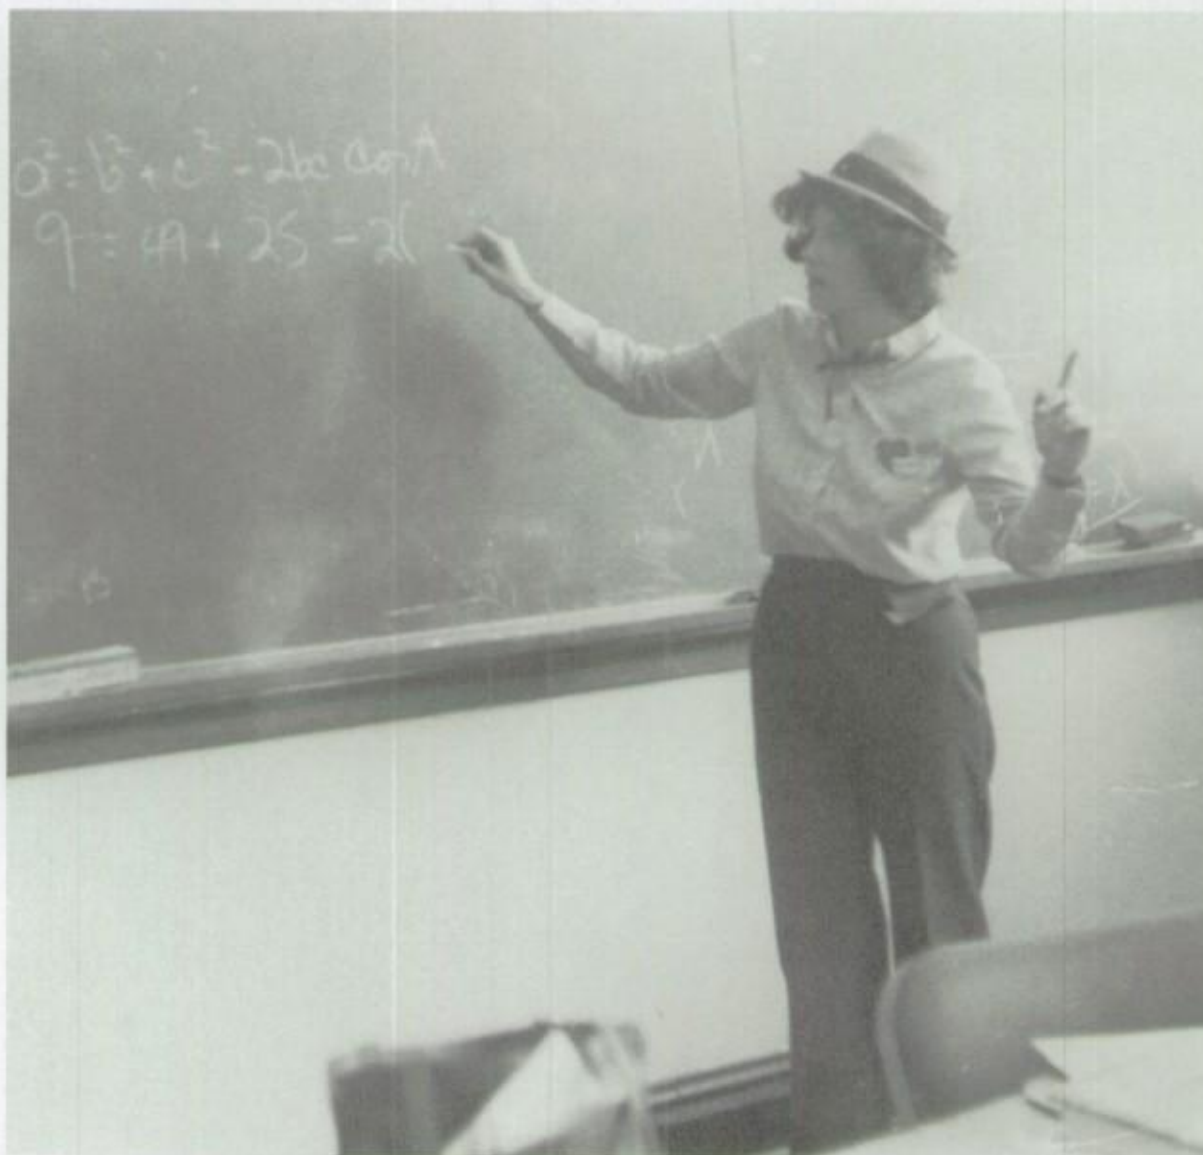

The Spanish classes attended a contest at Wichita in November and a French contest in March. Students received second, third, and fourth place.

Miss Dennis attended Kansas University and received a B.A. in French and Spanish Language. She also went to the University of Paris and received a Degré Supérieur. Miss Dennis also received an M.A. in French from the University of California Santa Barbara.

Math Is More Refined This Year

Lynn Wilson takes a break in geometry.

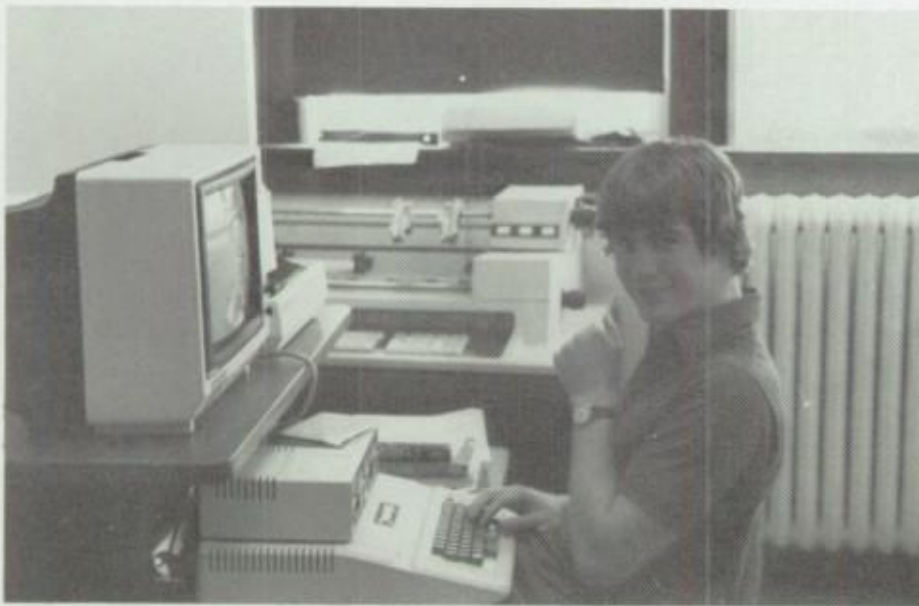

Mrs. Tholen shows the equation one uses in determining the size of a hat.

Teresa Crismas says, "This lady doesn't know what she is talking about."

Mr. Ryman is an artist. He draws students.

At the push of a button Cliff Feuerborn will spring into action.

The computer programming course was offered for the first time this year. It was primarily intended for college oriented students and deals with expanded topics in the BASIC computer language plus discussions dealing with disk operating systems.

The computer students took no field trips but Mr. Kerry Ryman reports that future trips are in the planning stage. Mrs. Cobbs, counselor, provided a guest lecturer for those interested in the computer field. Mr. Ryman's math students participated in the relays held at Emporia State University.

Mr. Ryman taught algebra B, computer programming, and geometry. He received a bachelor of science degree and a master of science degree from Pittsburg State University.

Mrs. Peggy Tholen taught algebra II, applied math, and advanced math. She attended Emporia State University and received a B.S.E.

Mrs. JoAnn Onweiler taught developmental math, algebra A, and algebra B. She attended Southern Illinois University where she received a B.S. degree.

Mrs. Tholen tells Gordon Wright, "Now five times twelve is 60, not 61."

Mrs. Onweiler shares a quiet moment with her class.

Scientific Skills Sharpened

Mr. Kimmell says, "Okay, hand it back."

Mr. Windsor lectures to a very attentive class.

Mrs. Rugg managed an interesting room. It contained plants, fish, and scientific specimens.

Science skills were certainly sharpened this year. Mr. Paul Windsor took six of his students to Kansas State University for Discovery Day in October.

Mrs. Ethel Rugg and her biology classes took a half-day trip to study the environment. They also took some one-hour field trips, too. The lab science classes took some one-hour field trips also, as well as a half-day field trip to study fossils. Mrs. Rugg invited Mrs. Sylvia Mansfield to speak about her interesting work on archeology.

Mr. Terry Kimmel and his classes performed some very interesting and questionable experiments. At first report the Biology I class was supposedly performing kidney transplants every other Tuesday and Thursday. Mr. Kimmel's freshman homeroom was rumored to have constructed an electron microscope from salvaged parts of a 1961 Chrysler Newport. Further investigation proved these activities to still be in the planning stage. In reality Mr. Kimmel kept his Bio I and II classes busy in the classroom and lab.

Mr. Kimmel received his B.S.E. from Emporia State University. Mr. Windsor has a B.S. degree from the University of Kansas. Mrs. Rugg has a B.S. from Northwestern State College in Alva, Oklahoma and a masters in science from Emporia State University.

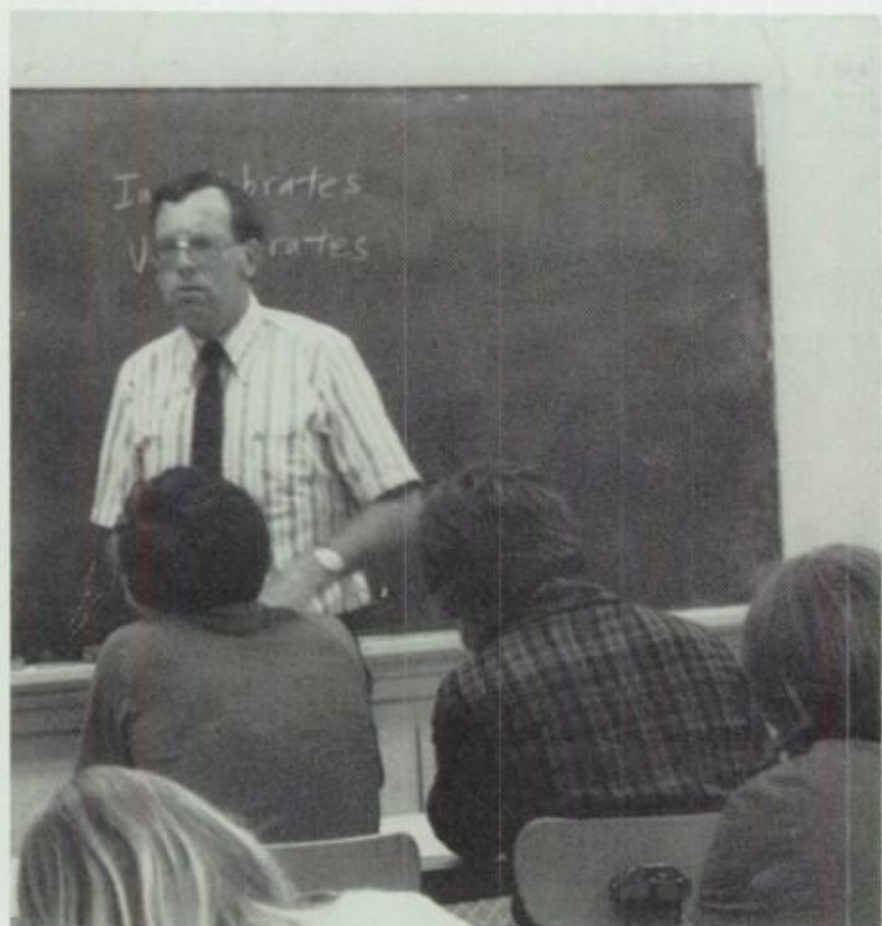

Mrs. Rugg will not be back for the 1983-84 school year. She is taking a one-year leave-of-absence. She and her husband plan to travel during her leave. Bon voyage - Mr. and Mrs. Rugg!

Mrs. Rugg appears to be studying. Is Stacey Hayden?

Mr. Windsor says, "Yes, class, you are vertabrates."

Government Guarantees Useful Knowledge

Government and history classes have not changed the course of America's future, but they haven't stopped trying.

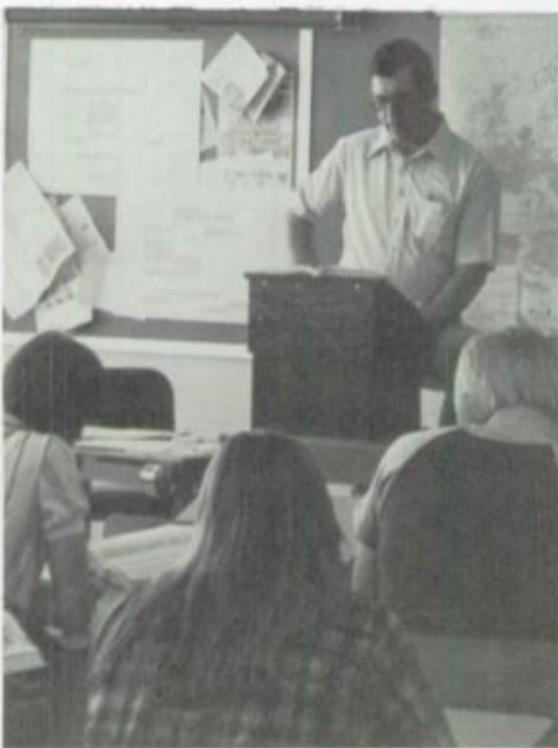

Mr. Richard Wells, Mr. Mike Casteel, and Mr. Kenny Kellstadt are the ringleaders of this movement towards further democracy. Mr. Casteel explains his class activities, "October brought us Toad's Tongue Republic. We gerrymandered 'Arkabamia' in November. December brought us Senator Jesse Helms and the 'New Right'. January and February were spent on the U.S. Constitution with a fine-toothed comb. The fourth nine weeks brought us up-to-date on recent American political and economic developments 1948-1983."

Mr. Kellstadt's sociology class took a trip to the courthouse. His government class participated in their own mock legislature and a mock court trial.

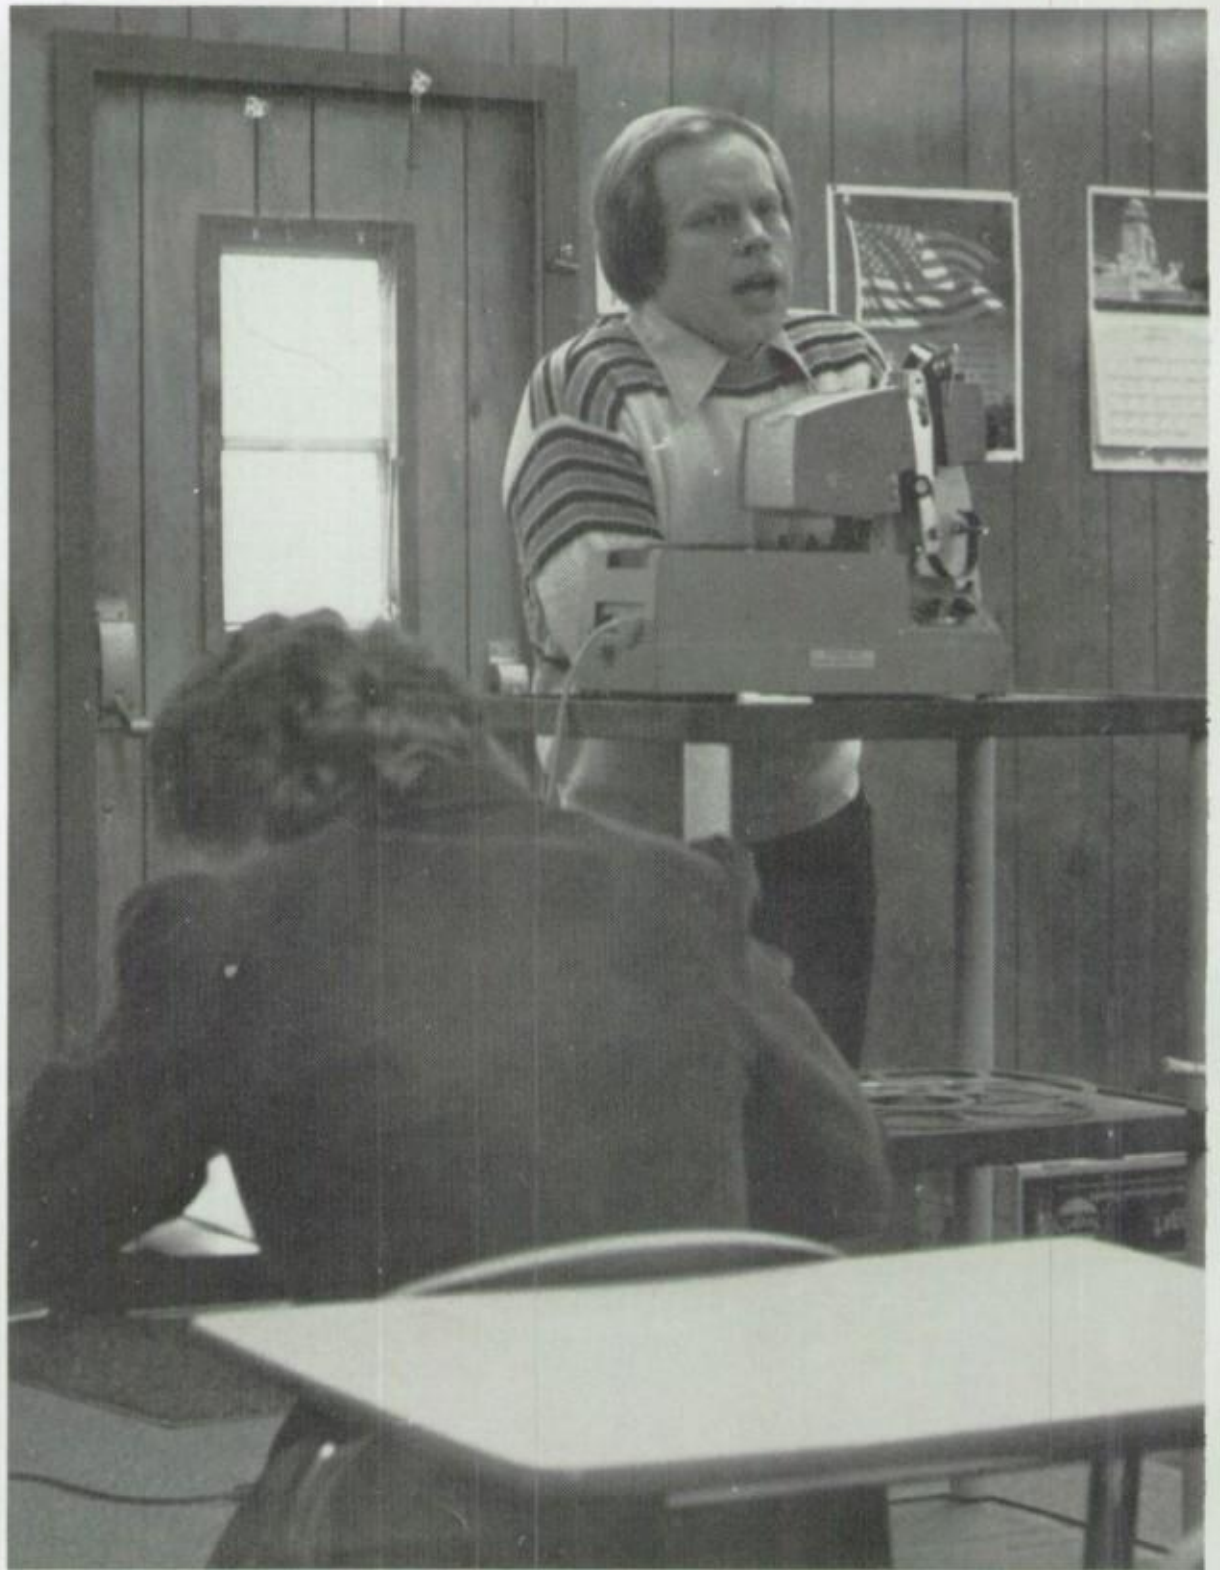

Mr. Wells teaches American history. He attended Emporia State University and received a B.S. in education and a masters in American history. Mr. Kellstadt received a B.S.E. in education from Emporia State University. He teaches government and sociology which he hasn't taught for several years. Mr. Casteel teaches American history, and government. He attended Emporia State University and received a B.S.E.

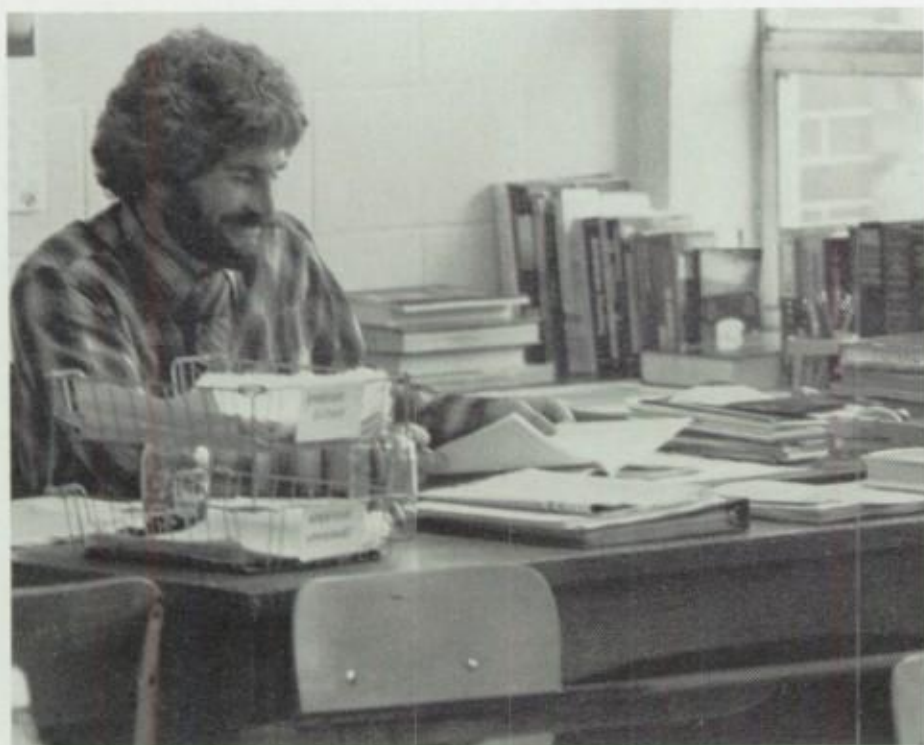

Mr. Casteel appears as busy as his class.

Students seem to find Mr. Casteel's class more humorous than he thinks necessary.

Girls physical education classes participated in tennis, soccer, tumbling, basketball, mini-sports (ping-pong, shuffleboard, badmitten, and box-hockey), softball and volleyball. For volleyball each class was divided into teams and the teams competed against one another. Then the winning team from each class played the winning teams from the other classes. The winning team from the third hour class were the champions.

Mrs. Donna Kimmell, physical education teacher, attended Allen County Community College and received a B. S. in education from Emporia State University.

Mr. Ray Meyer's advanced P.E. class visited the city water plant, the light plant, and the lake site that will furnish water for Garnett in the future. Ralph Adams, the state game protector, and Harold Hermann talked to the class about conservation and gun safety.

Coach Meyer attended Kansas State University at Manhattan, Pittsburgh State, and Northern Colorado State in Greeley, Colorado. He received his B.S. from Emporia State University and his M.A. from the University of Illinois.

Nancy Miller displays the wares at Rebecca B's.

This past year was the tenth year for the workstudy program. There were thirty-two students in the program. The range of jobs varied and included dental office assistant, banking, automotive and mechanic shops, and jobs relating to retail sales areas. Mr. Kenny Kelstadt, sponsor, comments, "We have been able to give some students experience in the working world as they cross the threshold to that part of life." Students really do gain helpful experience in the workstudy program. They learn about the business and some of them even acquire jobs there later.

Mr. Kellstadt has a B.S.E. from Emporia State University.

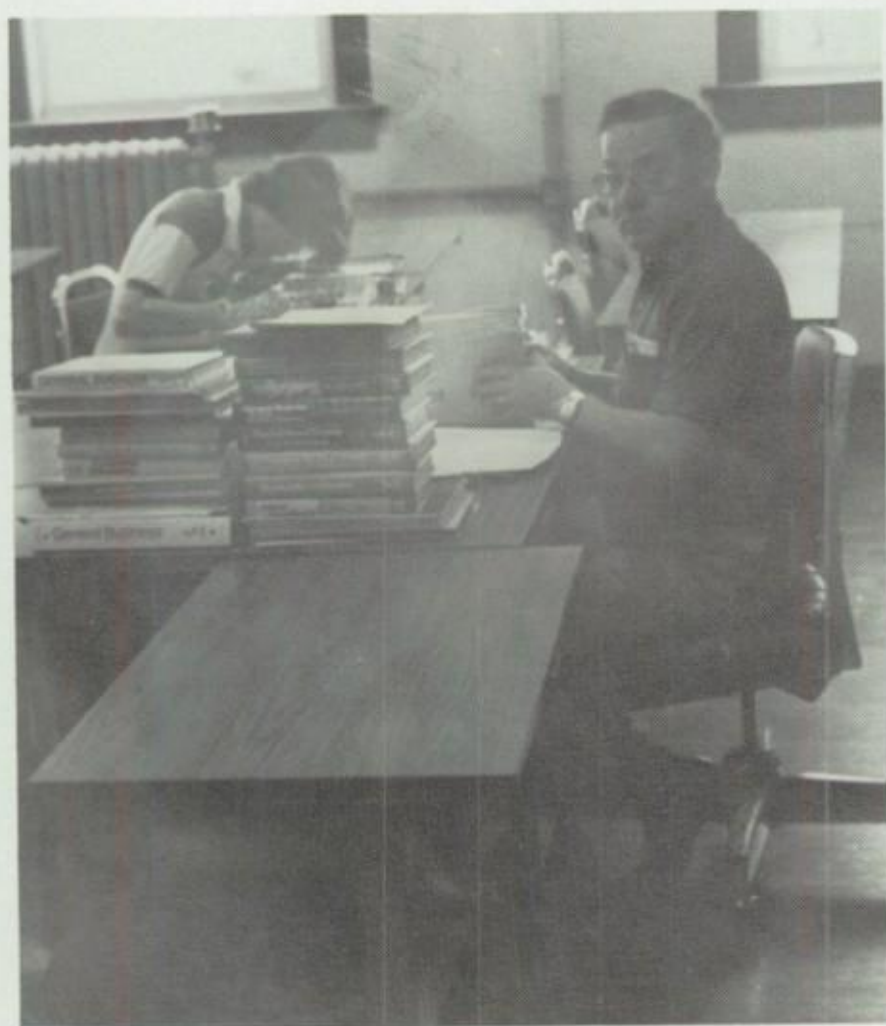

Business Is A Practical Class

Mr. Bauck is very happy to assist Chris Herold.

Chrissy Weisner completes another job in typing.

Mr. Benton, you'd better get busy. Looks like you've got a lot of homework to do.

Mrs. Lewis tries to keep her students typing under 80 words a minute.

Three teachers staffed the business department this year, preparing students to fill out income tax forms, typing reports, keeping a budget and taking dictation.

Mrs. Carolyn Lewis taught typing I, general business and shorthand. Mrs. Lewis attended Emporia State University and received a B.S. and an M.S. in business education.

Mr. Melvin Bauck taught typing I and II. Mr. Bauck has a B.S. in business education and an M.S. in education from Emporia State University.

Business law, accounting and record keeping were taught by Mr. John Benton. Mr. Benton has a B.S.E. from Emporia State University.

Acquire A Taste For Home Economics

Seems like Laurie Katzer and Trish Thacker are into seams.

Becky Katzer seems amused at Jeff Beachamp and J.D. Morey attempting to sew.

Tim Katzer seems to be very hard at work in Mrs. Miller's class.

This was Miss Dee Ann Clark's first year in the home economics department. There were also changes in course offerings. Home Ec. II now included money management, consumer education on budgeting, writing checks, savings accounts, credit and insurance. Miss Clark took her classes to the Garnett Greenhouse for wedding plans. Ah, do we hear wedding bells? She also invited guest speakers who spoke about making bridal gowns, hair care and skin care. Miss Clark attended Allen County JUCO and received her B.S.E. from Emporia State University.

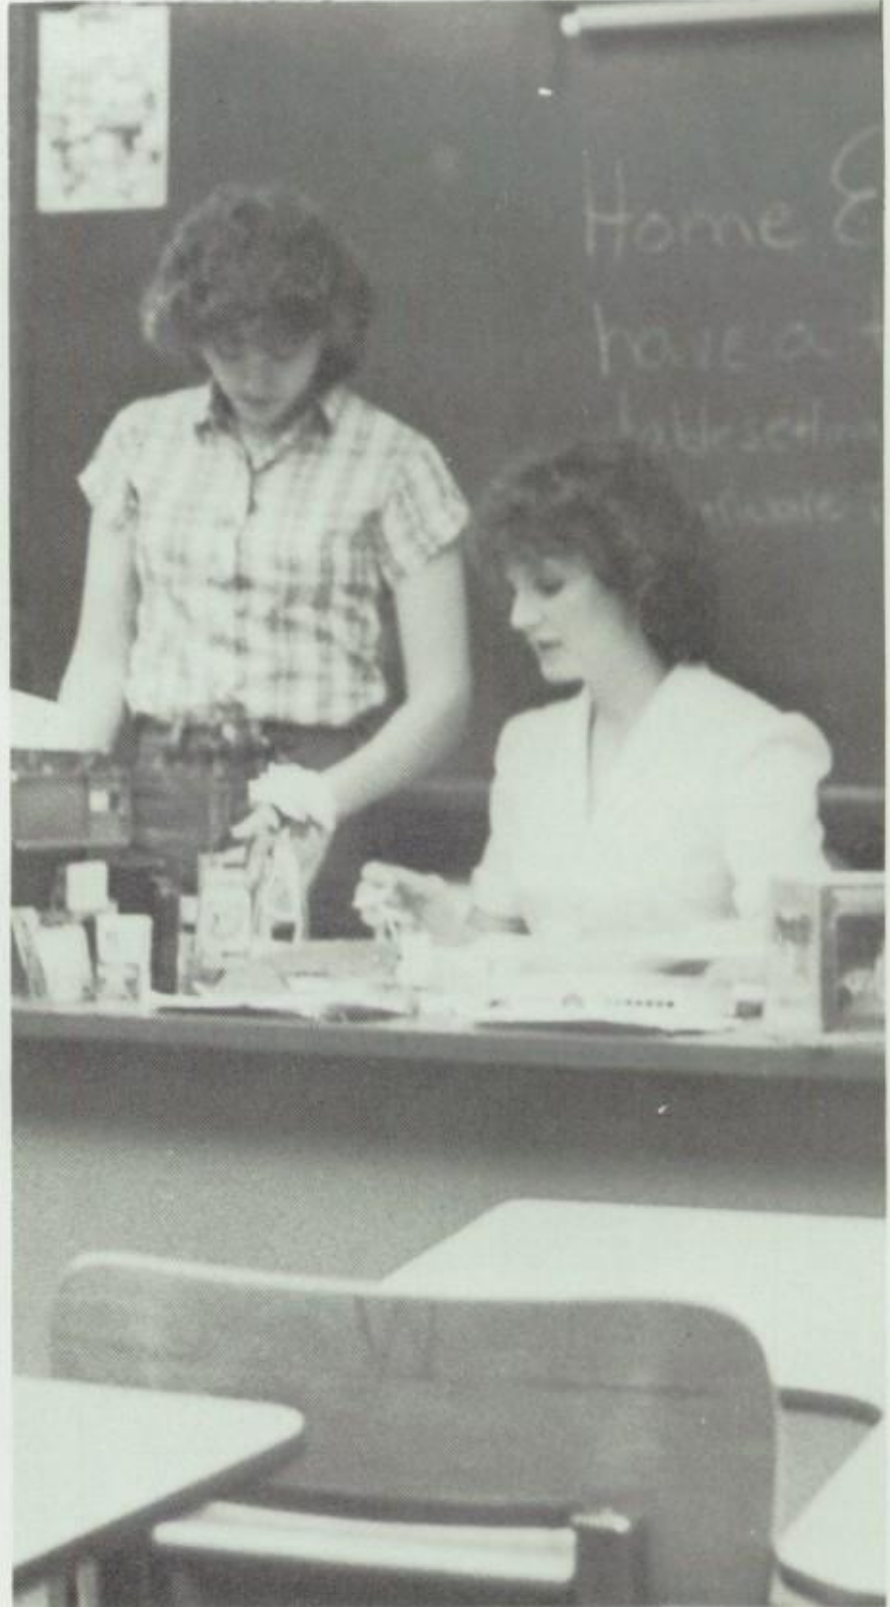

Mrs. Jayne Miller was very busy this year. Not only did she have a 9 pound, bouncing baby girl in March, but she also took her classes on many field trips. Home Ec. I visited Webster's Jewelry Store when they were studying dinnerware and flatware. Home Ec. II went to the locker plant and the grocery store when they studied various types of meat, and also the furniture store when they were studying housing. The Child Care class visited the labor and delivery rooms at the Anderson County Hospital.

The Child Care Class had a wide variety of speakers; lawyers who spoke about child abuse and adoption, foster parents, adoptive parents, mothers of handicapped children, mothers of multiple births, and women who have had problems giving birth. Mrs. Miller attended Allen County JUCO for 2 years and graduated from Kansas State University.

The Home Economics class also had a Munchies Delight program again this year. They baked cakes, cookies, dinner rolls and brownies for orders and for the student body to purchase at noon break. They sold 85 shares in their venture for \$1.25 a share. At the end of 3rd quarter Munchies paid back their investors \$10.00 per share.

Polishing The Arts

Mrs. Lois Henry and her art classes were again making the world beautiful. Art I learned the basics of drawing and art appreciation. Art II turned out some prizewinning oil paintings, sculptures, and ceramic objects. Art III and IV painted the exotic backdrops for the musical "South Pacific" a mural, and then had their own individual projects. These projects included painting, sculpture, weaving, macramé, ceramics, drawing, tie-dye, jewelry, and batik.

Some art students entered the Piper High School art contest. Overall, Garnett placed second out of the ten schools that entered. Brandy Lickteig placed among the top five artists at this contest.

Driver's Education Has Few Mishaps

Trish Thacker, Jean Stephens, and Karen Bures accompany Mr. Suderman out for his hourly ride.

It seems the driver's education class was most eventful this year. Mr. Glenn Suderman, instructor, says, "It's been a most interesting year. I cannot mention names, but I must admit we have been in the ditch more this year than the last three years combined." Not all the drivers were poor, just a few, and most of the students drove very well. Most of the time they just had to push or rock themselves out of the ditch, but a few times a tow truck was the only way. The tow truck people usually laughed their troubles off. Mr. Suderman comments on these events, "Usually most people find our lack of driving skills enlightening. And I would agree there is some humor to it."

Mr. Suderman attended Tabor College and Kansas State University receiving his bachelor of science degree in physical education from K. S. U.

This is the driver's training "limousine."

Vo-Ag Classes Compete Often

Mr. Harris, instructor, says, "The next student who throws lead shavings will get it!"

John Miller works diligently on his project.

Vic Blaufuss pleads, "Kevin, please don't burn my foot off."

The Vo-Ag classes entered and did very well in many contests this year. In September, Garnett placed third in the district land judging contest. They placed tenth in the South East area land judging, and in the district leadership contest Garnett was third in ritual, seventh in parliamentary law and eleventh in information. December brought the district public speaking contest in which Garnett placed seventh. In January and February the farm management and farm mechanics contests were held and Garnett was first and second, respectively. Garnett placed tenth in the dairy judging contest in Topeka in March. In April they placed fourth in the livestock judging at Prairie View, and at Fort Scott Aggie Days they placed first in farm management, fifth in shop, and sixth in land judging.

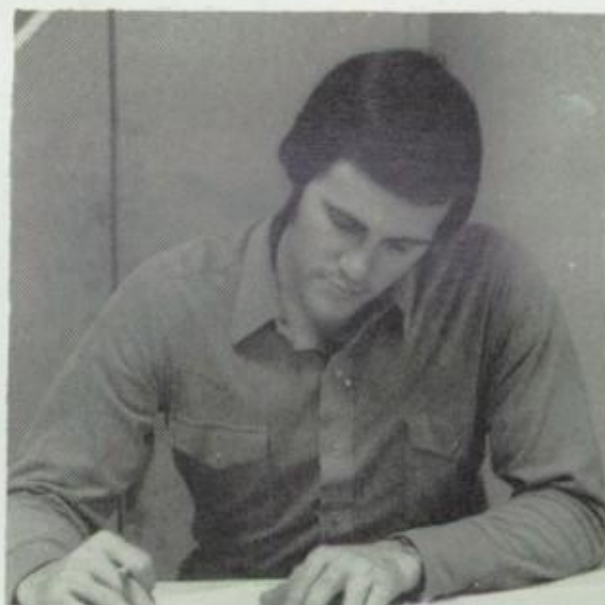

Students Improve Workmanship

Wendal Catt is shown using the sanding machine. Watch those fingers, Wendal!

The woodworking classes have been very busy this year producing wood projects such as night stands, coffee tables, round tables, cedar chests, and grandfather clocks. The woodworking classes are taught by Mr. Jerry Howarter. The beginning woodworking class have required projects. However, each student has the responsibility of planning the actual wood used, size, shape, and cost of their projects.

The students prepared their projects to be exhibited at the annual industrial art exhibit in May.

Mr. Howarter attended Emporia State University where he received a bachelor of science in industrial education and a master of science in industrial education.

After all the sweating on the football field during marching season and jamming through pep band, the band finally settled down to more refined and serious music. For regional and state music competition the band performed "Second Military Suite for Marching Band" by Gustav Holst and "Chesford Portrait" by James Swearingen. At regional festival the band received a I rating thus qualifying for state. Those groups and individuals receiving I ratings were: brass quartet, clarinet quartet, saxophone sextet, Angie Miller, and Danae Fuhrman. In April, the band journeyed to Wichita for state competition.

Another activity that band members were involved in was the famed Jazz Band. The Garnett Jazz band invited the Ottawa High jazz band down for a jam session in April.

Journalists Jump To It This Year

YEARBOOK STAFF: Front row, l. to r.; Carla Shulte, Monica Dieker, Roger Henry, Diane Hirt, Stacey Hodgson; 2nd row; Julie Callahan, Eric Brummel, Glenn Platt, Connie Lewis, Kim Foosee; Back row; Mike Hammon, Mark Miller, David Sobba, LeAnn Morrison, Miss Feuerborn, Joyce Webb, Brad Leitch, D.J. GHS journalists in lighter moments.

Karen Porter and Pat McCullough work on a newspaper layout.

In a year of change the journalism classes kept up and made a few changes of their own. The biggest change was that the yearbook and newspaper staffs were moved from Mrs. Studna and room 208 to Miss Feuerborn and room 401. The yearbooks were distributed in August instead of May at a cost of \$15.00. Also, the newspaper was free this year, making it available to all students.

The yearbook class took a trip to a Josten workshop at Ottawa in September. Mr. Don Mathers of Josten's explained the basics of layouts, copy, photography, and how to produce a classy yearbook. Instead of a field trip the newspaper staff was known to take occasional trips to the bakery.

The yearbook staff editor was Brad Leitch. The senior section was made by Carla Shulte and Diane Hirt. In charge of sports were Jeff Cox and D.J. Mader. Julie Calahan and Eric Brummel organized the activities section. Joyce Webb and LeAnn Morrison did a run down on the academics of the year. Monica Dieker, Roger Henry, and Glenn Platt did the ads section. Photographers for both Journalism classes were: David Sobba, Mike Hammon, and Mark Miller.

The newspaper staff co-editors were Jill Fooshee, Karen Porter. Pat McCullough was ads manager. Staff writers were: Steve Eichman, Rob Miller, Rod Setter, and Tim Colvin.

Miss Jane Feuerborn was delighted with the new challenge. She says, "I thoroughly enjoyed working with both the newspaper and the yearbook classes. I especially appreciated the hard work from the yearbook class before deadline time --- as well as the newspaper editors at pasteup time. A super group!"

A personal note from Miss Feuerborn —

I was privileged to work with these marvelous young people in newspaper and yearbook. Some days were very hectic but the students seemed to understand that there are days when the advisor is going to yell. She did!

A special thank you to the photographers who worked under less than ideal conditions, and kept smiling — most of the time.

To An Athlete Dying Young

The time you won your town the race
We chaired you through the market place;
Man and boy stood cheering by,
And home we brought you shoulder-high.

Today, the road all runners come,
Shoulder-high we bring you home,
And set you at your threshold down,
Townsmen of a stiller town.

Smart lad, to slip betimes away
From fields where glory does not stay,
And early though the laurel grows
It withers quicker than the rose.

Eyes the shady night has shut
Cannot see the record cut,
And silence sounds no worse than cheers
After earth has stopped the ears.

Now you will not swell the rout
Of lads that wore their honors out,
Runners whom renown outran
And the name died before the man.

So set, before its echoes fade,
The fleet foot on the sill of shade,
And hold to the low lintel up
The still-defended challenge cup.

And round that early-laureled head
Will flock to gaze the strengthless dead,
And find unwithered on its curls
The garland briefer than a girl's.

Dorothy and Julie show their skills during the "Success" routine.

This year there were no junior varsity cheerleaders since the twelve varsity cheerleaders were divided into two squads, not four. One squad, composed of Sherri, Julie, Cheryl, Dorothy, Debbie, and Stacey, cheered for football and girls' basketball. The other squad, Lynn, Ricki, Karen G., Teresa, Karen P., and Kim led spirit at the volleyball and boys' basketball games. The girls rotated for cheering at cross country and wrestling meets.

The cheerleaders did several dance routines throughout the year. They performed "There's No Stoppin' Us Now" by Sister Sledge at the Fall Homecoming. The student body was entertained at a pep rally with a dance to "We Got the Beat". A new smash hit, "The Look of Love", by the British group, ABC, supplied the music for a routine at the Winter Homecoming game. For a treat on Valentine's Day the cheerleaders again presented "We Got the Beat". Whew!

Bulldogs Show Class In Defeat

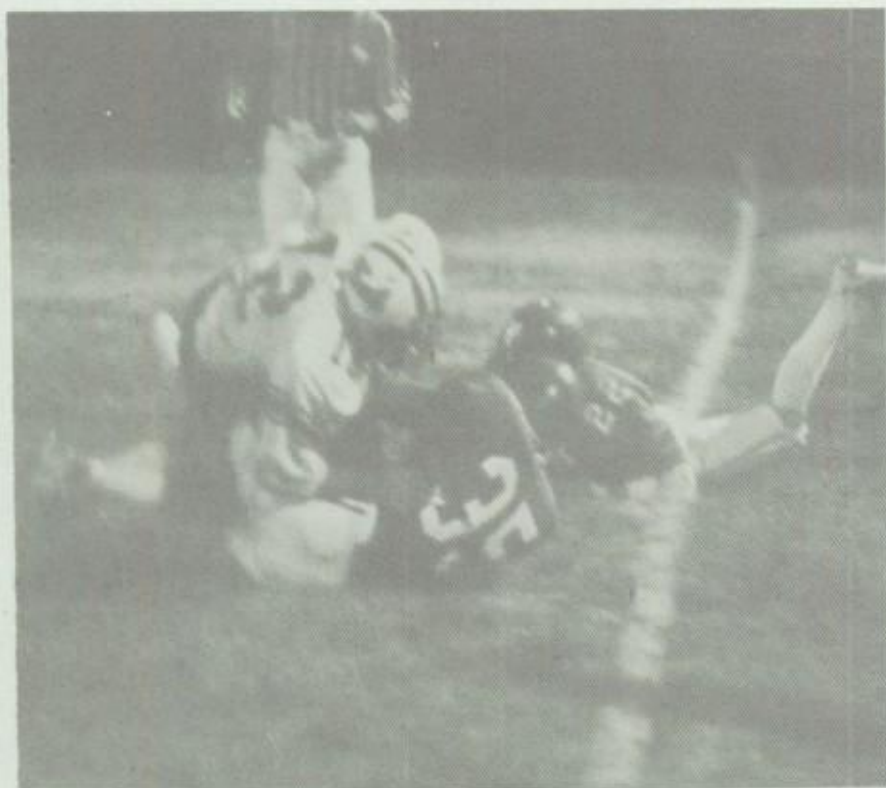

The Bulldogs suffered through another winless season in 1982, but not without accomplishments. Many young players showed promise when starters went down with injuries. Garnett also had its first All-League performer since 1979 in Marty Holloran. Jim Miller, David Sobba, and Bill Reed were all selected as Honorable Mention All-League. Injuries certainly took their toll on an already thin Bulldog team. Coach Wells felt injuries may have kept the Bulldogs from being competitive, especially late in the season. He added that overall senior leadership was good and that the exceptional attitude of the Freshman makes the future look bright.

Future Looks Promising

The junior varsity showed a great deal of promise for the future this year. They managed to defeat two opponents, and made exciting games out of many others. Several of the junior varsity players saw considerable varsity action. Coach Casteel commented that our team consisted of mostly freshman and sophomores whereas other schools boast a lot of juniors on their junior varsity team. Considering that fact, he was very proud of the job done by his players.

There were seven runners on the varsity cross country team this year. After getting off to a slow start early in the season, the harriers came back to take second place at the league meet hosted by Gardner. The runners missed qualifying for the state meet by only three points. Russell Hill placed seventh at regional making him the only varsity runner going to state. Russell placed 11th at state.

Six people ran for Garnett's Junior Varsity team. They had five meets scheduled but only enough runners for the last four meets. This group has real potential for the 83-84 season because they are losing only one senior Jeff Wilson, who came out half way through the season.

Coach Suderman stated, "I would especially like to see more of this years freshmen out for volleyball next year." The most improved players during the season were; Joyce Lickteig, Jill Adler, Stacy Fincher, and Debbie Mayes.

Garnett Ends Up And Down Season

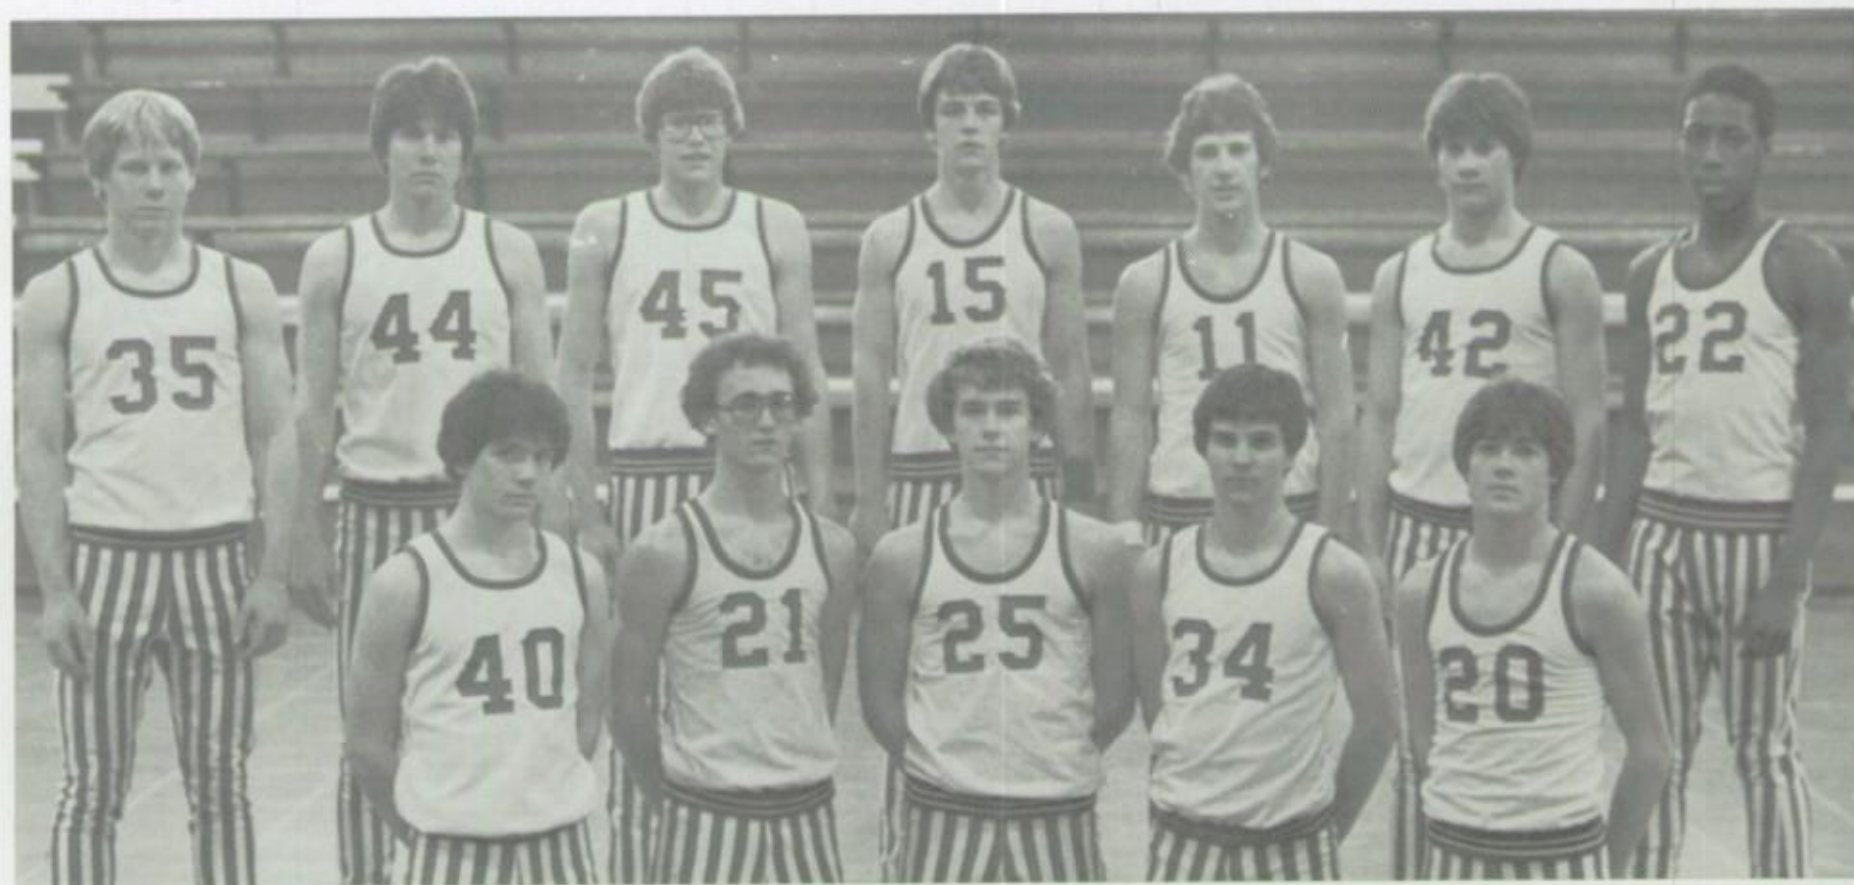

The 1982-83 boys basketball team did not set any team records this year but a number of personal accomplishments was achieved.

For the third straight year, the Pioneer League's leading scorer was a senior Bulldog. This year senior Jeff Cox, following the examples of older brother Ed Cox (81-82) and Darren Cramer (80-81), captured the title with an average of 23.6 points per game. Jeff was also second in rebounding, pulling down 11 per game. In the first round of substate this year Jeff scored 39 points in the losing effort to Spring Hill, setting a new school record for most points scored in a game. After being given honorable mention all-league in 1982, Jeff was unanimously named to the 1983 Pioneer all-league team. Doug Erhart, sophomore, was also a very important asset to the team. Starting in all of the Bulldogs 19 games this year, Doug showed excellent poise for a young player. Doug was the Bulldogs second leading scorer and was selected honorable mention all-league.

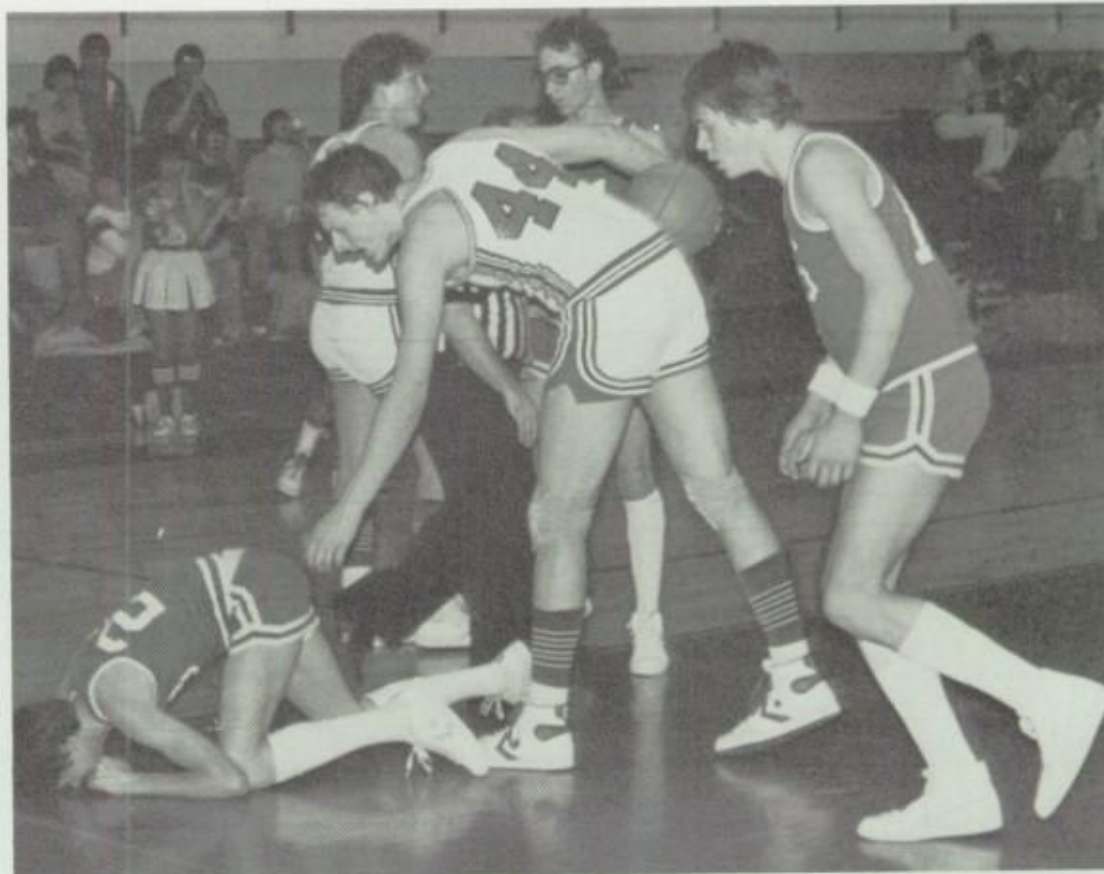

Doug shoots from his point-guard position.

J.V. Approaches Winning Mark

1982-83 Boys Basketball Team (back row l. to r.) Steve Eichman and Straci Tobin. (Middle row) Coach Mike Casteel, Jerry Webb, manager, Brian Rockers, Lynn Wilson and Coach Glenn Suderman. (Front row) Marty Holloran, Kevin Holloran, Ryan Walter and Chris Herold.

Steve Eichman pumps in two more for the Junior Bulldogs.

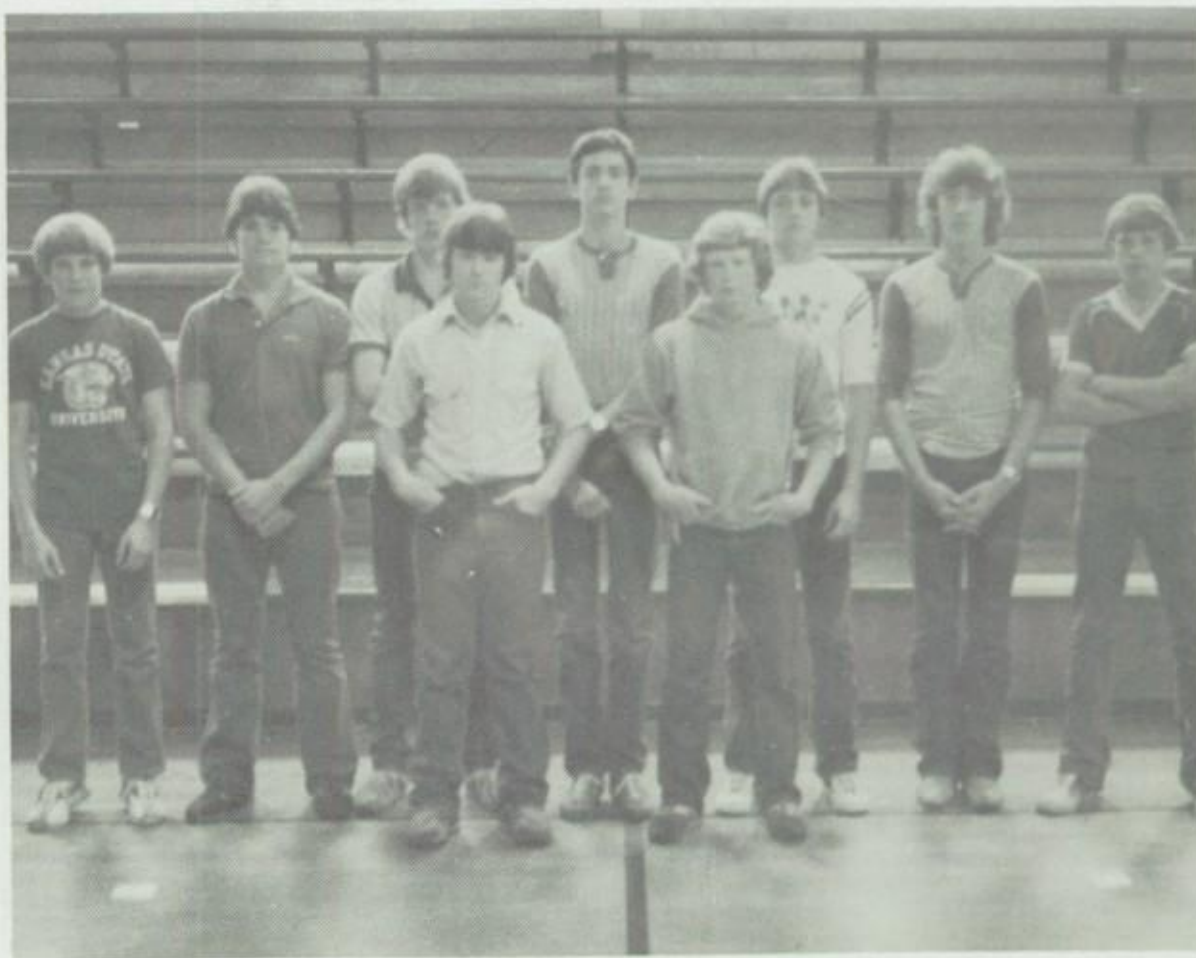

The Junior Bulldogs, coached for the second year by Glenn Suderman, ended the 82-83 season with a seven and eight record. The team had a respectable season as a very young team with very little experience from last year. Five of the Eight players saw varying amounts of action on the varsity level giving reason to hope for success next year on the varsity team. Those individuals are Marty Holloran, junior, Steve Eichman, junior, Ryan Walter, junior, Brian Rockers, sophomore and Straci Tobin, sophomore.

Coach Suderman felt the wins this year should be attributed to outstanding hustle, aggression and excellent attitudes. He also commented that he felt more confident as a coach with another year of experience.

Limited Space Hampers Frosh

Garnett High School's freshman boys basketball team struggled through the 82-83 season winning only one of their eight games. One possible and very probable cause of the poor record was their lack of practice time. This year as in the past, the freshman took the backseat when the time came to use the gymnasium. First came the varsity squad, followed by the junior varsity, and if any time remained the freshman might have gotten a chance to shoot a few baskets. Coach Suderman feels that this problem can be combatted by opening the gym before school, at which time the freshman would be allowed to practice. "Despite the frustration the team showed excellent hustle and determination", commented Coach Suderman.

Girls Have Another Outstanding Season

The 1982-83 girls varsity basketball team started off the year on what was a very unfamiliar note. They lost to the Paola Panthers by a 56-31 count. After that game Coach Windsor and many others felt that the Lady Bulldogs would be lucky to achieve a .500 season. After being picked third or fourth in pre-season polls and only having two returning starters, this was no way to silence the critics.

The girls bounced right back and won nine of their next ten games. After a disappointing showing at the Louisburg Tournament in which the girls lost two of three games the girls won the last six games of the regular season and picked up two more in advancing to the Championship game. The Championship game pitted Garnett against defending State champion, Baldwin a team the Lady Bulldogs had beaten early in the season by twelve points. A much improved Baldwin team shattered the girls hopes for a third straight trip to state. Coach Windsor felt that the teams strengths through most of the season (free throw shooting and few turnovers) proved to be the area's that probably attributed most to the final loss.

Courtney Hermreck was selected all-league and also received all-state honorable mention. Terri Wolken was selected as all-league and Debbie Mayes received all-league honorable mention.

J.V. Continues Winning Ways

Norma Guilfoyle and Sheri Kueser set up the trap.

The 1982-83 girls junior varsity basketball team gave Garnett Lady Bulldog boosters reason to believe that next years team will carry on what is quickly becoming a winning tradition at Garnett. The girls managed a 7-5 league record which was good for third place despite many nagging injuries. Coach Ryman commented that he was extremely proud of the way the younger girls filled in when the injuries struck. He also added that the teams strengths were team defense and quickness while the biggest weakness was shooting. A lot of people saw action and the scoring and rebounding lead was spread out among numerous players. The girls lead their opponents in scoring average (27-24) and steals (16-11). Most importantly however, the girls played the style of exciting basketball that we Lady Bulldog fans have enjoyed the past few years.

Pictured above: Bottom row (l. to r.) Jean Stephens, Jeanie Kuharik, Shanon Wolken, Carol Platt. Middle row; Mary Sobba, Karrie Davidson, Laurie Katzer, Angie Baldridge. Top row; Coach Ryman, Coach Windsor.

The 1982-83 Freshman girls basketball team may have more potential than even the state tournament teams of 1979-80 and 1980-81. Coach Ryman was extremely impressed with the shooting ability of such young players although he felt they were strong in all areas. These girls will be the bulk of next years junior varsity squad and a couple could see varsity action. The girls only managed a 4-3 record but the three losses were close games while the four wins were usually won handily. Coach Ryman was also very proud of the enthusiastic and aggressive style of play shown by the girls. The girls natural ability combined with their knack of picking things up quickly should provide Lady Bulldog fans with exciting basketball in the years to come.

Golfers Finish Second At State Tournament

The 1982-83 boys golf team surprised many people this year, possibly even themselves. After a very successful season during which Gordon Wright won two of six tournaments the team traveled to Girard for regionals. The boys started the regional tournament in a down-pour and finished in the same conditions. With only Brad Leitch still out on the course it looked as if Garnett's scores weren't going to be good enough to carry on the eleven year tradition. Brad's par on the final hole gave him the regional crown and earned Garnett a trip to state, by only one stroke. A beautiful Wellington course and weather to match enabled the boys to show their potential. Gordon Wright fired a 76 to lead Garnett to a second place finish, the best ever in Garnett's eleven trips to state. Gordon's 76 was good enough for fourth place and a 328 team score beat the regional champions, Columbus, by 18 strokes. It seemed only appropriate to have a grand season for the retiring golf coach, goodbye Coach Meyer.

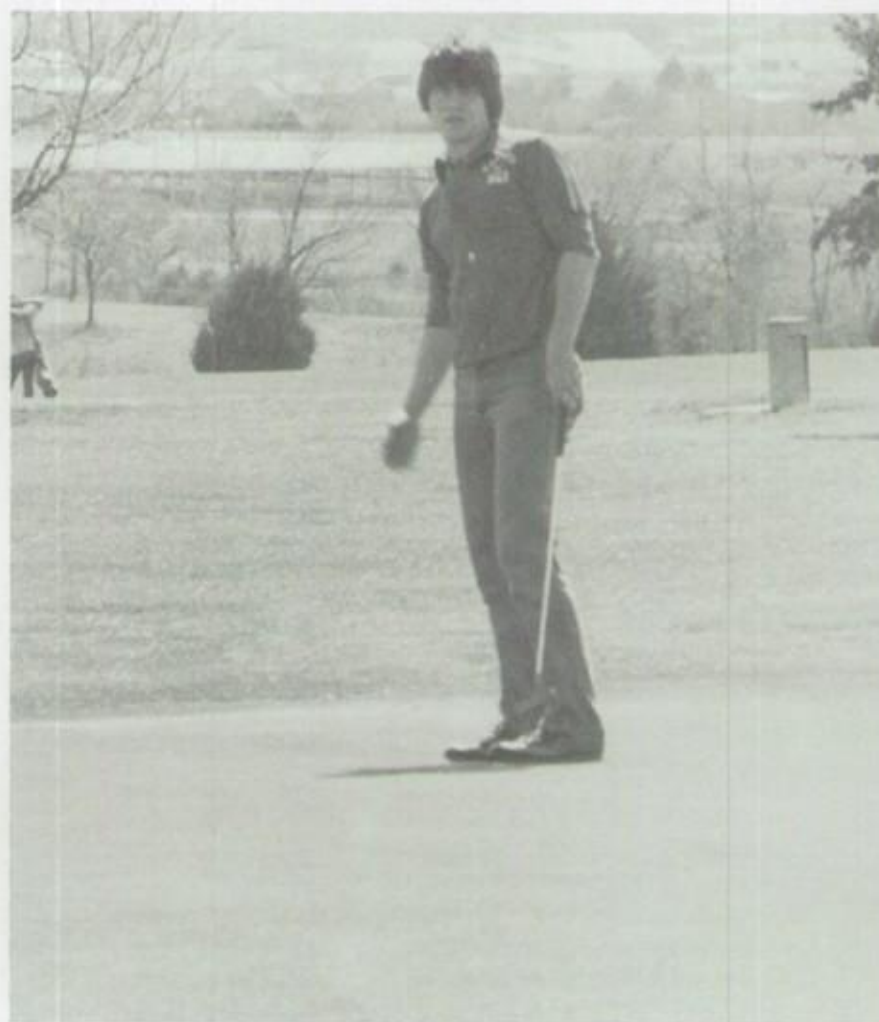

Gordon Wright shows the concentration that has made him one of the best golfers in the state.

Girls Golf Has Class

The girls golf team did extremely well in 1982. When Coach Meyer was asked what he thought of his team, he replied, "Great," "I think the girls improved tremendously over the summer." Carla Schulte (senior) was asked, What is your opinion of Coach Meyer and the team this past year? She replied, "I feel that I could have improved more over the summer," she added, "I love Coach Meyer, he is the best coach ever. I am glad to have known him during my four years in high school.

Boys Show Much Improvement

The 1982-83 boys track team had its season cut short by rain. Four meets had to be canceled because of the poor weather. The rain also hindered practice time which may have prevented the boys from doing better at the few meets they did attend. Russel Hill was the only boy who made it to the state meet in Wichita. An excellent field of competitors prevented Russell from doing as well as he had expected. Coach Howarter commented that only four boys on the team were seniors. The added experience gained by the underclassmen this year will certainly make for an improved program in the years to come.

1982-83 was a much improved and very encouraging season for the girls track team at Garnett High School. The rain hindered the girls season as much as it did the boys. It did not however, hinder their enthusiasm or hard work. The girls managed to send six competitors to the state meet, which was also held in Wichita. Dorothy Hass, Carol Platt, Laurie Katzer, and Brenda Shellhorn represented Garnett in the 880 relay. Betsy and Carolyn Mains qualified for state in the 330 intermediate hurdles and the two-mile, respectively. Laurie Katzer also qualified for state in the straight 220. Like the boys, the girls competition was extremely keen which prevented anyone from placing highly. Only one girl will be lost for next years track team. Coach Howater is expecting bigger and better things in the future.

Sports Awards Presented May 11, 1983

David Sobba was awarded two coveted honors at the Spring Sports Banquet sponsored by the Garnett Booster Club. David won the David Penn Memorial Award as the outstanding athlete of the year and the Ray Meyer Sportsmanship Award in basketball.

Jeff Cox won the "Secretary of Defense" award in basketball and Bryan Hastert was named Bulldog wrestler of the Year. Hastert and Betsy Mains won the sports citizenship award given by the Kansas State High School Activities Association.

Standing ovations were given to Coach Ray Meyer who is retiring from teaching and coaching, and Paul Windsor who is retiring from coaching. "There's No Stopping Us Now" was the theme for this year's Homecoming. The week was filled with fun and hard work, as students decorated halls, constructed floats, and practiced skits.

Early Friday afternoon, the entire student body and faculty paraded around the square downtown, stopping on the one-way south of the courthouse, where the pep rally was held. Cheerleaders led cheers and chants. Skits were per-

formed by the classes and faculty. An addition this year, the bed races, also added to the entertainment.

The Coronation was held before the exciting football game against Osawatomie as Queen Nancy Miller and King David Lybarger were crowned. They ruled at the Homecoming dance held in the gym after the game.

The 1982 musical was the Rodgers and Hammerstein classic, South Pacific. This musical tells a story about a French planter, Emile de Becque who is stationed on a small island in the Pacific during World War II. Also stationed there are a group of nurses and seabees. One of the nurses, Nellie Forbush falls in love with Emile de Becque, whom she later marries. Also on the island is a young marine officer, Lieutenant Joseph Cable. He falls in love with a native girl named Liat. Their romance ends tragically when Lieutenant Joseph Cable is killed.

The 161 spirit club members enthusiastically increased the spirit at Garnett High School during the past year. The club was led by Dave Lybarger, President; Cindy Blubaugh, Vice President; Alan Rommelfanger, Secretary; JoAnn Katzer, Treasurer; Teresa Gettler and Janet Wittry, Chairpersons.

There were some major changes in spirit club during the 1982-83 school year. Purchasing T-shirts instead of paying dues was one of these changes. The T-shirts were red and white with the Garnett High School insignia on them. Another change was reestablishing the points system which hasn't been used in a few years. Members got points for participating in a number of activities. Some of these activities were: attending games in uniform, working at the concession stand, and making posters. At the end of the school year the top 15 percent of the members received a spirit club pin.

Spirit Club also helped with Homecoming by making posters for the business windows downtown. Dave Lybarger '83 commented, "I think this year was the mark of a definite advancement in school spirit."

Their activities included, Freshman initiation, Kayette picnic, regional conference at Paola, teacher baby picture contest and the Christmas parade. The Club also provided coffee and cookies for parent teacher conferences. Club members also "adopted" teachers as secret Valentines. Their money making project for the year was selling candy bars. Diane Hirt '83 commented, "I felt like Kayettes were more involved this year in contrast to past years." Kayettes took part in community activities also. The club made stuffed animals for the children at the hospital. They also held a bake sale at the hospital. They also held a bake sale for the Helen Gadelman mammograph fund. Susan Hastert '83 commented "It's more interesting than any other group because it's more community centered."

These members learned about the governmental process on the state level. Jeff Cox, '83 commented, "I feel it was a valuable activity and everyone should experience it at least once." Kenny Kelstadt and Melvin Bauck were the club sponsors. Mr. Bauck and Mr. Kellstadt both feel that the members were enthusiastic this year, and that the club had many interesting programs. Artists Add Color To G.H.S.

Art students painted this mural in the fine arts building.

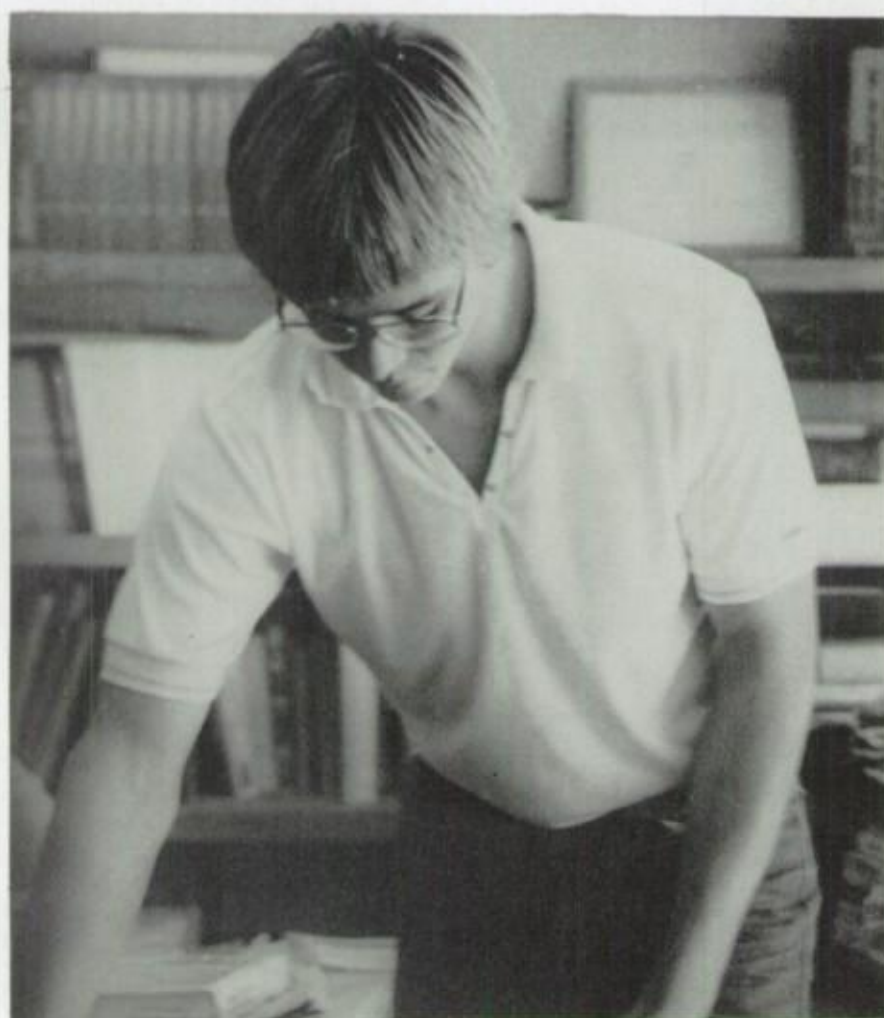

Art club is a small group of hard working people who serve G.H.S. During the '82-'83 school year art club painted both backdrops for the fall musical, South Pacific. Ms. Feuerborn (drama department) commented, "Mrs. Henry and her artists brought Bali H'ai to life, and gave the actors a true tropical atmosphere. I think they're great." Art club also painted the mural at the end of the hall in the fine arts building. (see picture)

Their money making projects were bake sales, and selling candles. But work isn't the only thing art club does, they had a very successful Halloween party, made Christmas cards for teachers, and took a trip to Kansas City in May. Mrs. Henry, club sponsor, commented, "I really enjoy and appreciate working with students who have discovered their own creative potential and who in turn, are able to recognize that same capability in others. The art club is an added "bonus" for me as an art teacher as it provides endless opportunities for members to express themselves visually and for their sponsor to share in, and help promote their creative activities."

N.H.S. Honors Top Students

Jim Miller, a N.H.S. member, studies regularly.

Sharon Wolken and Ann Mader share a thought at a N.H.S. meeting.

The National Honor Society is an honorary organization for high school students. Developing character, encouraging scholarship, promoting effective, useful leadership, are the objectives of this organization. A student must be in the top fourth of his/her class to be eligible for membership. Final selection is by faculty ballot. Fall and spring membership inductions plus a spring field trip comprise this group's annual activities. Mrs. Cobbs, sponsor, commented, "What fun this intellectual group is!"

The 1982-83 N.H.S. officers were, president; Jim Miller, vice president; John Graham, secretary; Ann Mader, treasurer; Karen Reinier, program; Sharon Wolken. Sponsors this year were Mrs. Rugg and Mrs. Cobbs.

Mrs. Rugg Plans A Leave Of Absence

Mrs. Rugg seems to be looking forward to a year of traveling.

Mrs. Rugg will be taking a leave of absence during the 1983-84 school year. She plans to do a lot of traveling to the Pacific, Atlantic, and Galveston beaches to study and photograph living and fossilized materials. She also plans to travel to the Grand Tetons in Wyoming. She plans to do most of her traveling in a motor home although she wants to do some flying.

In the fall of 1983 she will fly to the New England states. While she is there she plans to photograph trees and the landscape. She will also visit the Great Lakes and Canada in the spring of 1984.

Mrs. Rugg commented, "I think the most interesting part will be studying fossils in northern Texas. When asked if she was going only to further her knowledge in the field of science, she replied, "No we're going to go shopping at the various shops around the country."

Mrs. Rugg stated, "I think the majority of the students here at G.H.S. are really good kids and I will miss them, but I'm sure I will have enough to keep me busy. She added, "I am very grateful to the school board for granting me this leave of absence."

Song of the Open Road

Afoot and light-hearted I take to the open road,
Healthy, free, the world before me,
The long brown path before me leading wherever I choose.

Henceforth I ask not good-fortune,
I myself am good-fortune,
Henceforth I whimper no more, postpone no more,
Need nothing,
Done with indoor complaints, libraries, querulous
criticisms,
Strong and content I travel the open road.

"The First Street Gang"

We tried our best to stand and smile
But being cute wasn't really our style.
We'd race our bikes and skin our knees
and fling crabb apples from a crabb apple tree.

One by one we moved apart
But we kept our friendship
Deep in our hearts.
We'd see each other once in awhile
and toss to each a casual smile.
We now laugh and drink
and have a good time,
Thinking up things that try to rhyme.

We have our fights
But then we amend,
Cause deep in our hearts
We are the best of friends
But back on first street, it isn't the same
Since there isn't anymore first street gang.

The Road Not Taken

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;

Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,

And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I-
I took the one less traveled by,
And that has made all the difference.

In Closing

And so another year ended . . . and the halls were empty once again.

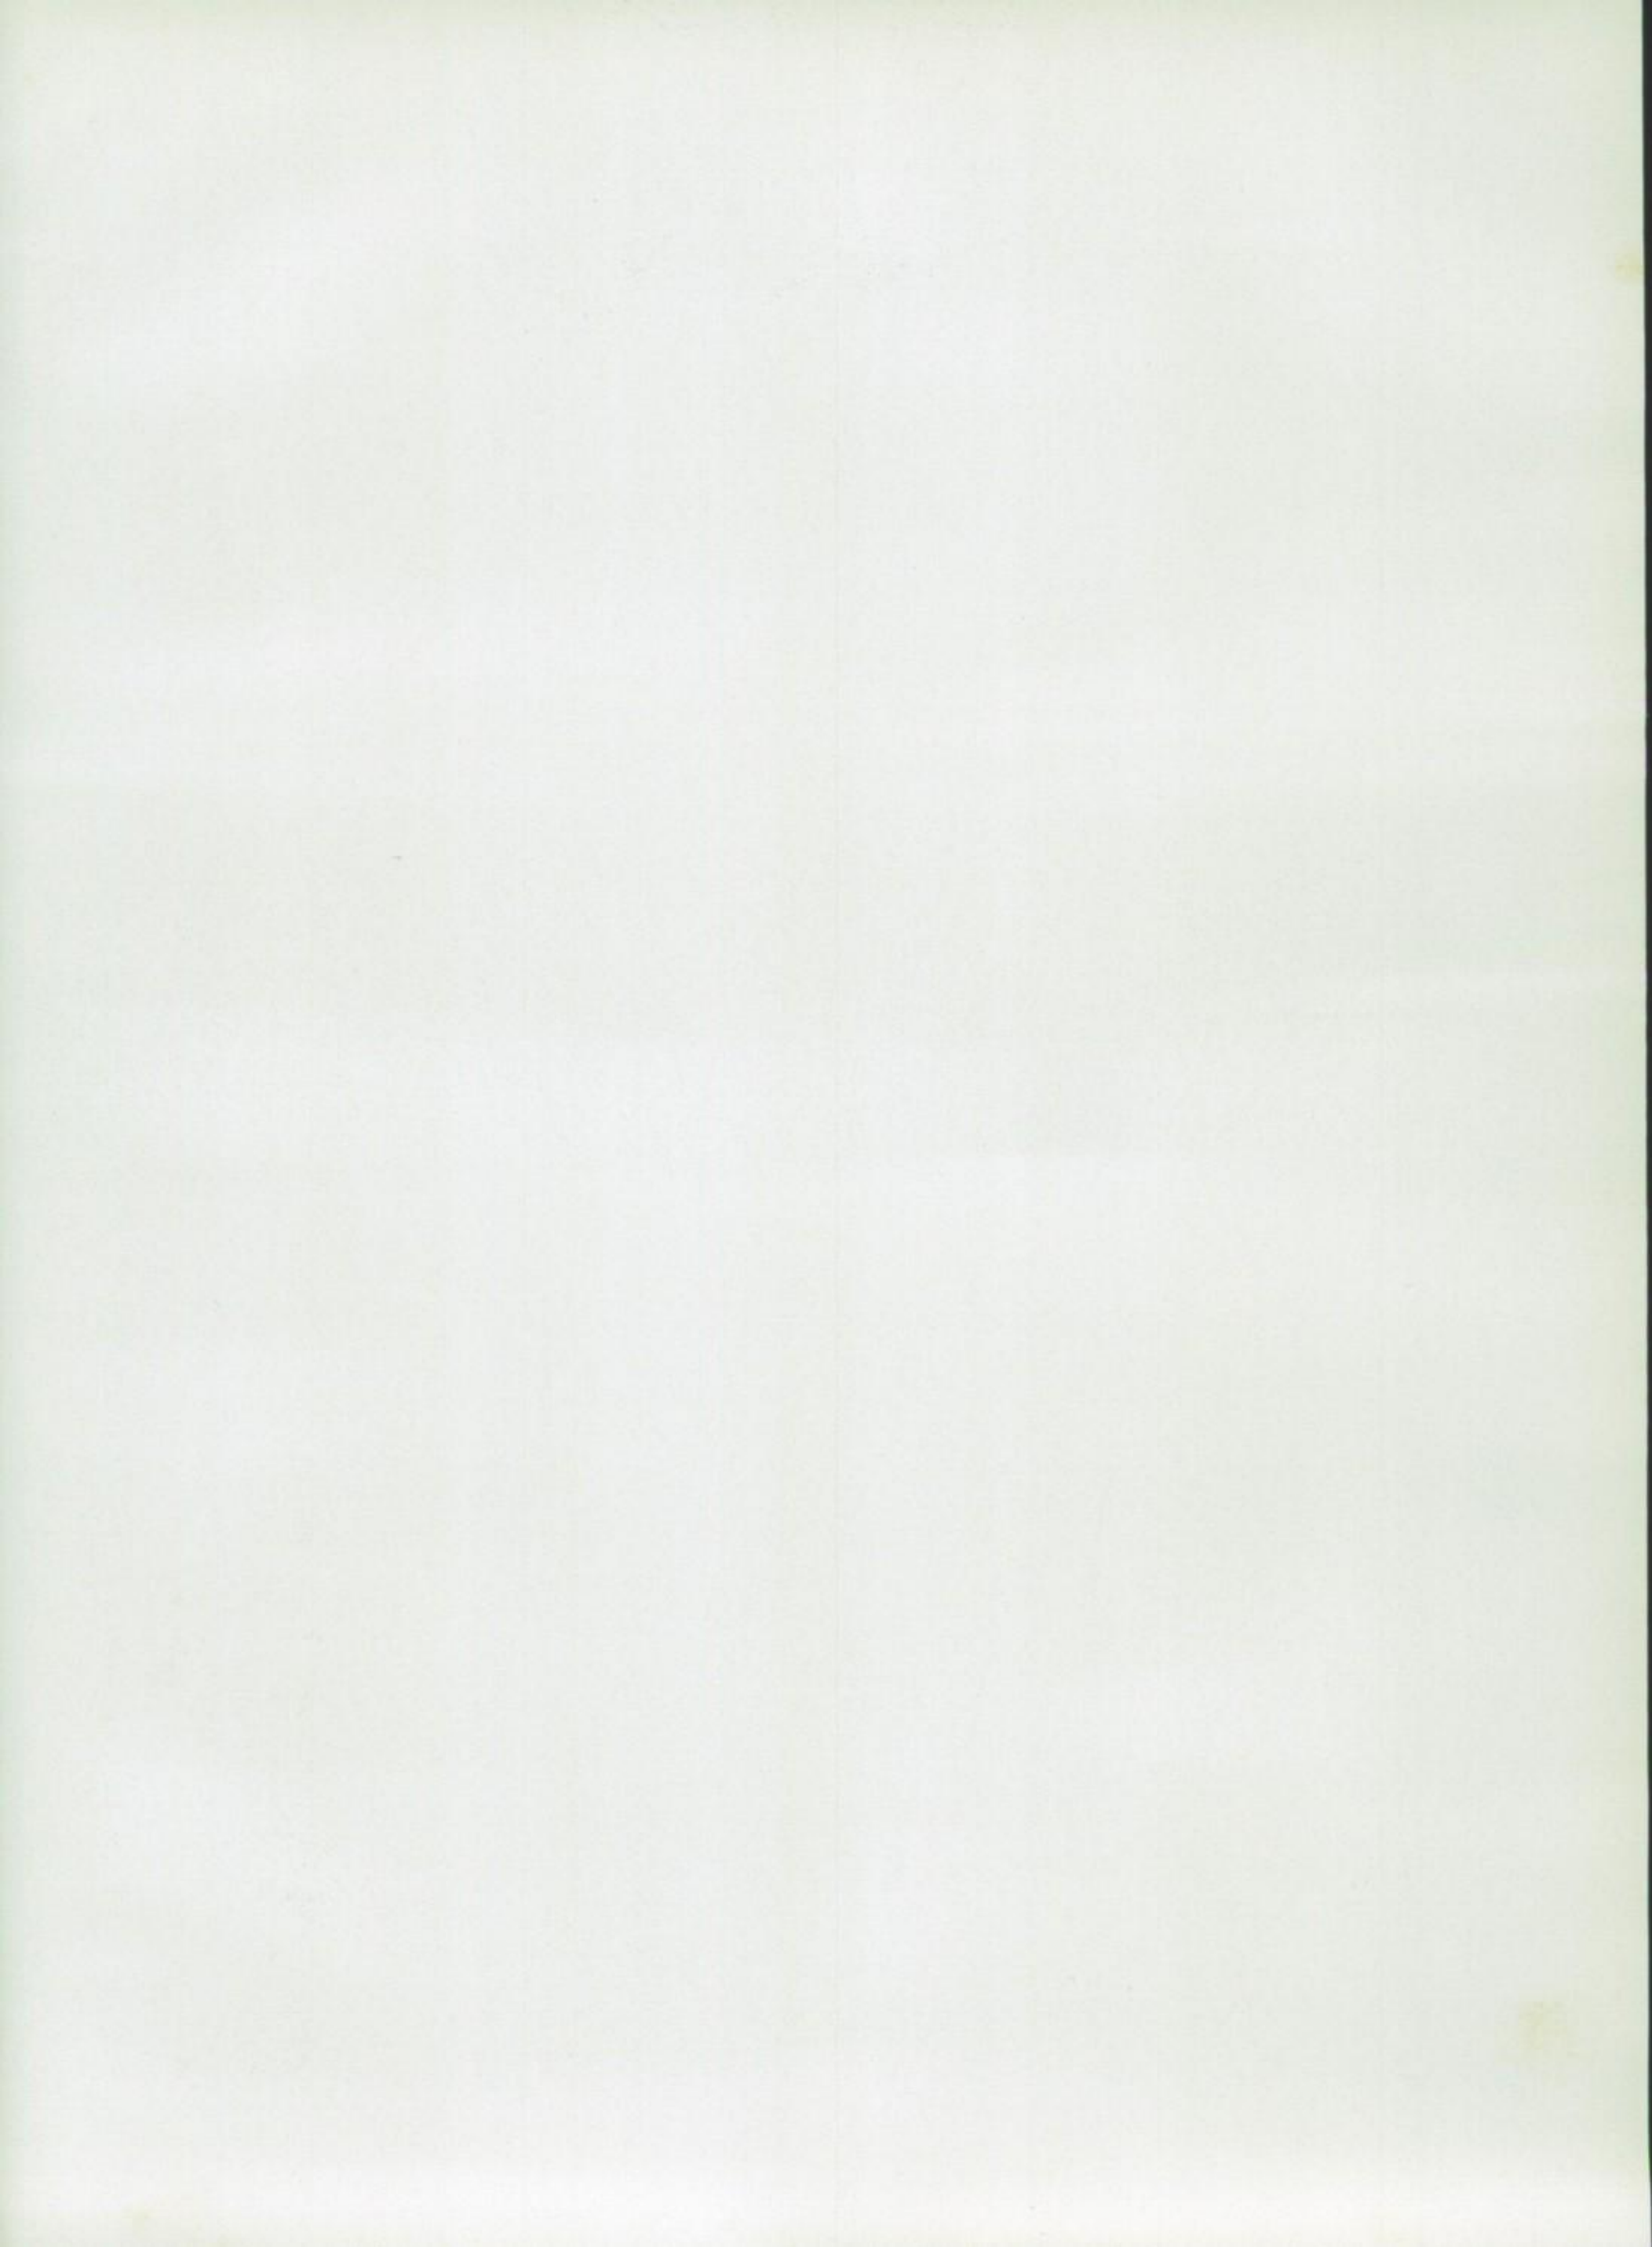

The year book staff wanted to create a book for the present but more importantly we have attempted to give you a representative accounting of events at Garnett High School during the 1982-83 school year. We hope this book will become more precious to you as the years pass. Please treasure this volume — it chronicles a year of your life that can never be re-lived — only remembered.

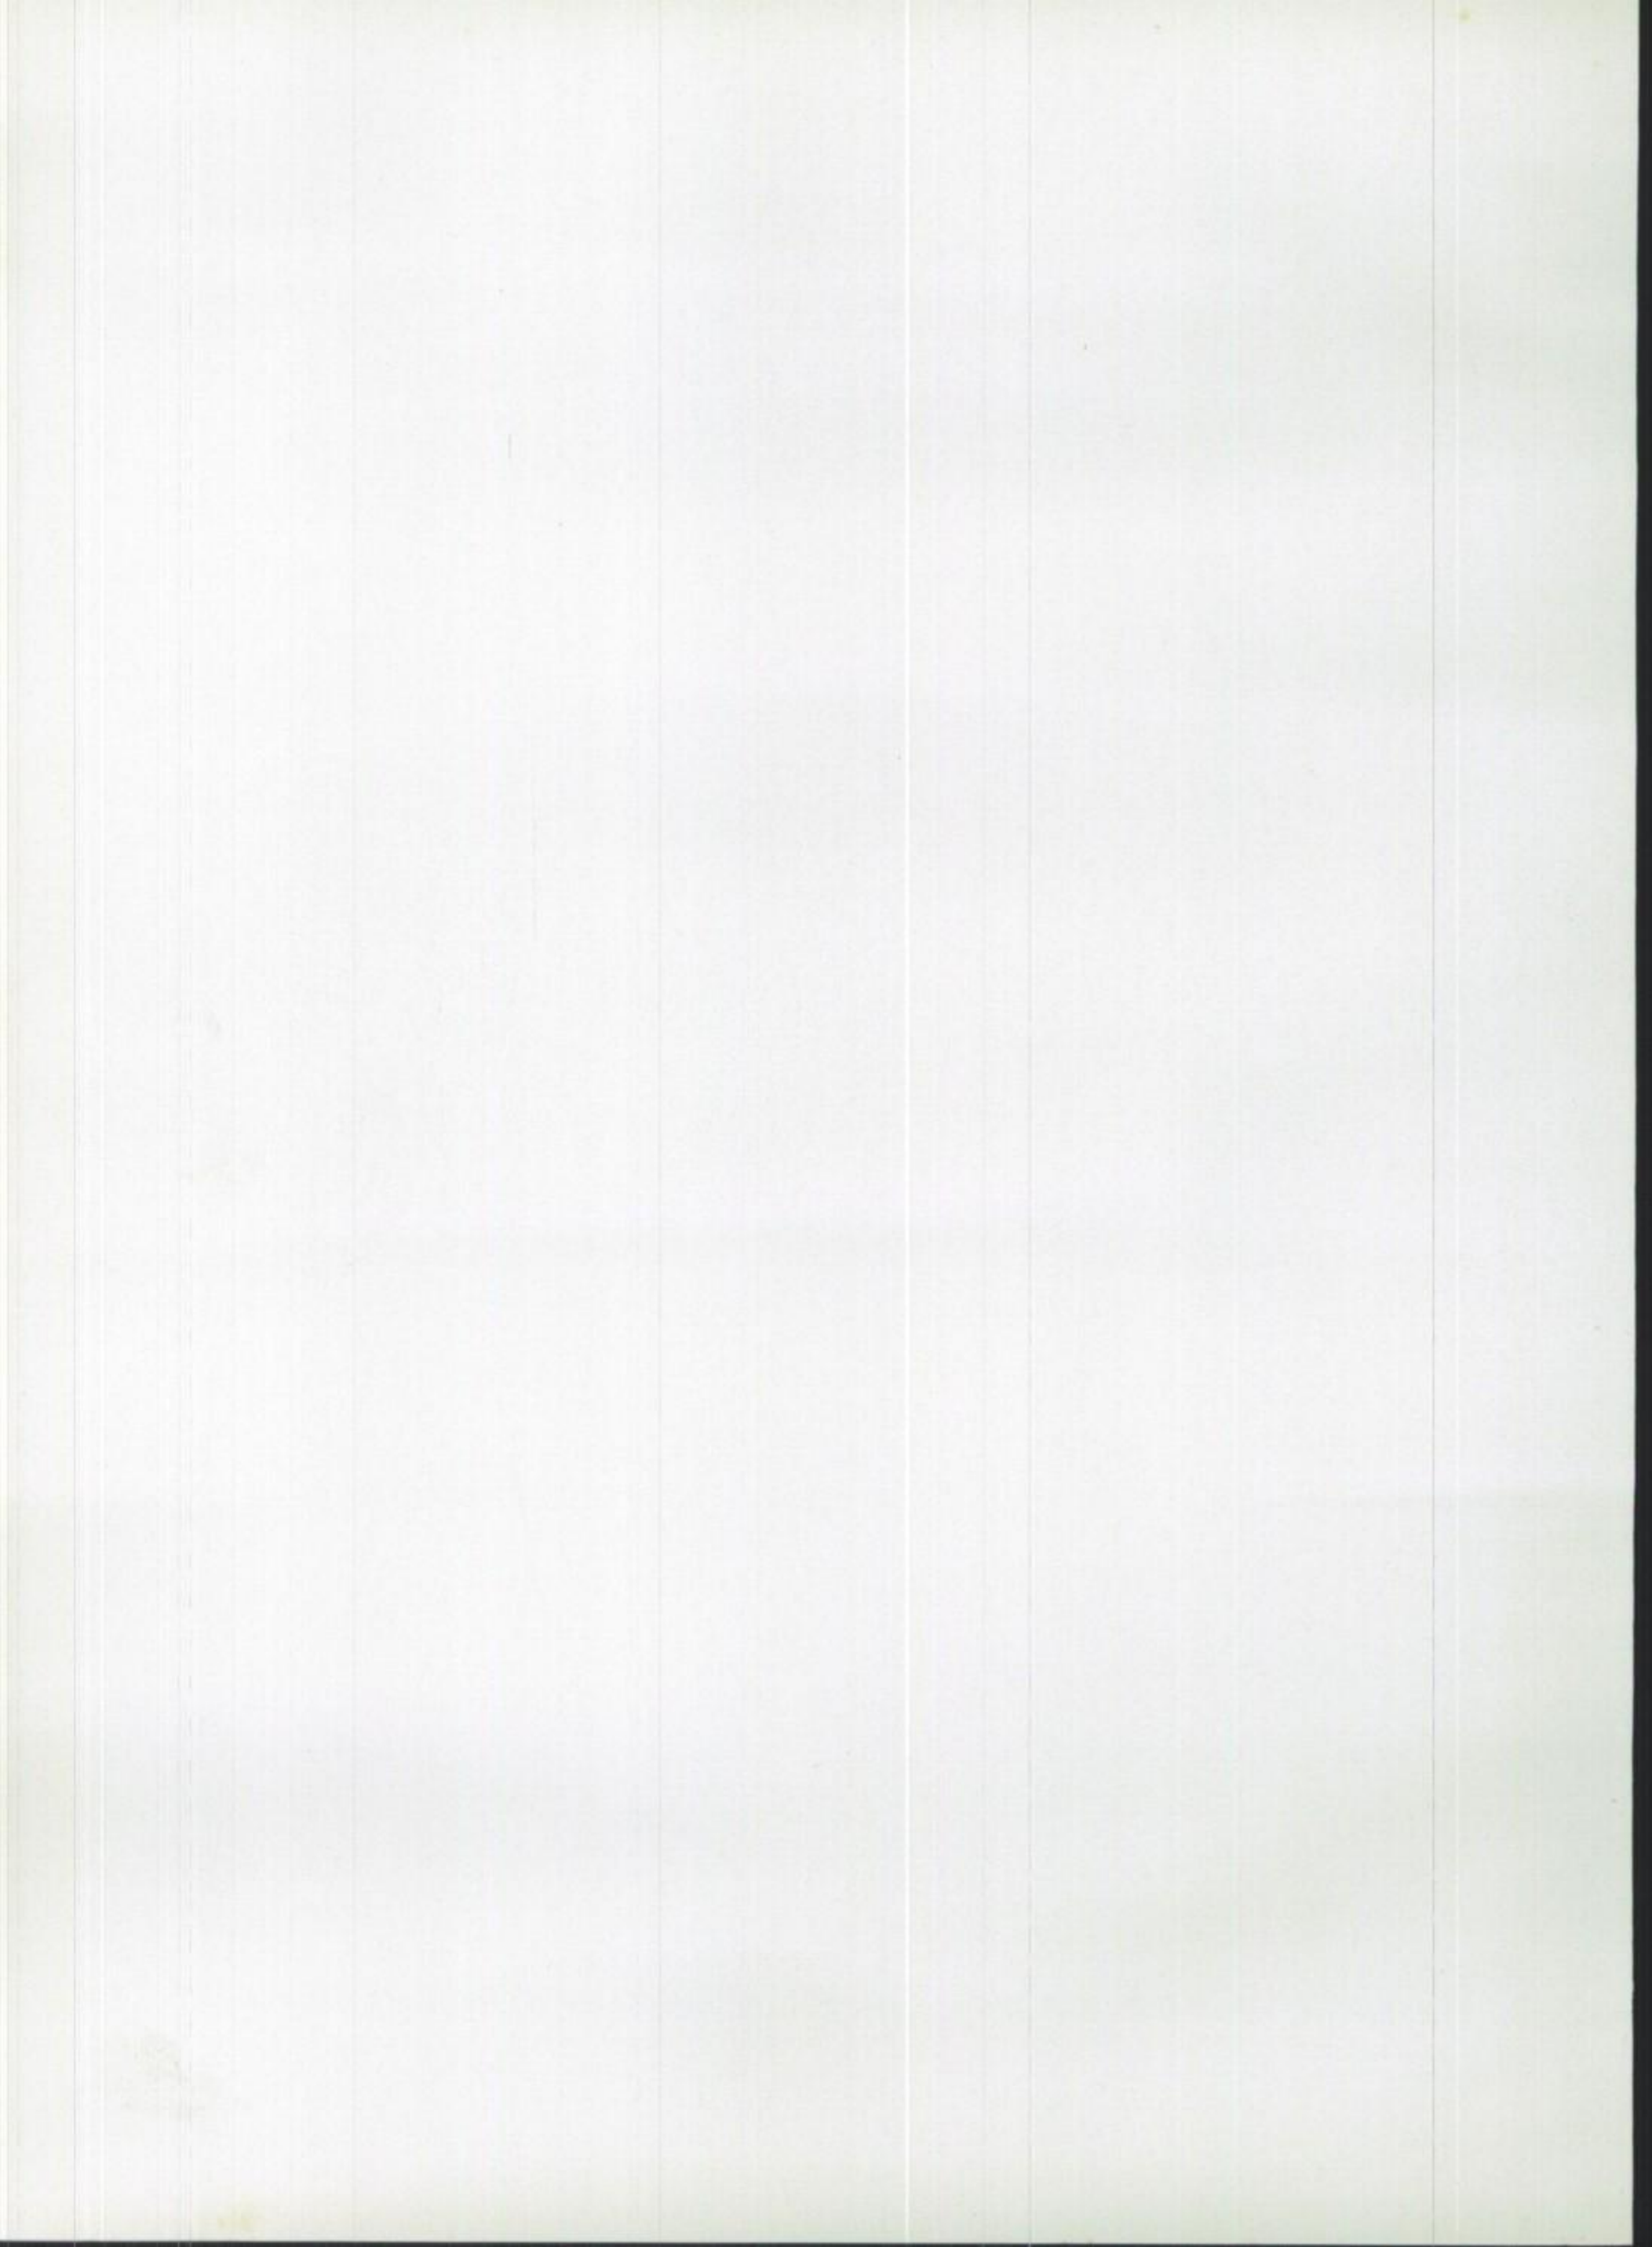

We hope this book will enhance those memories.

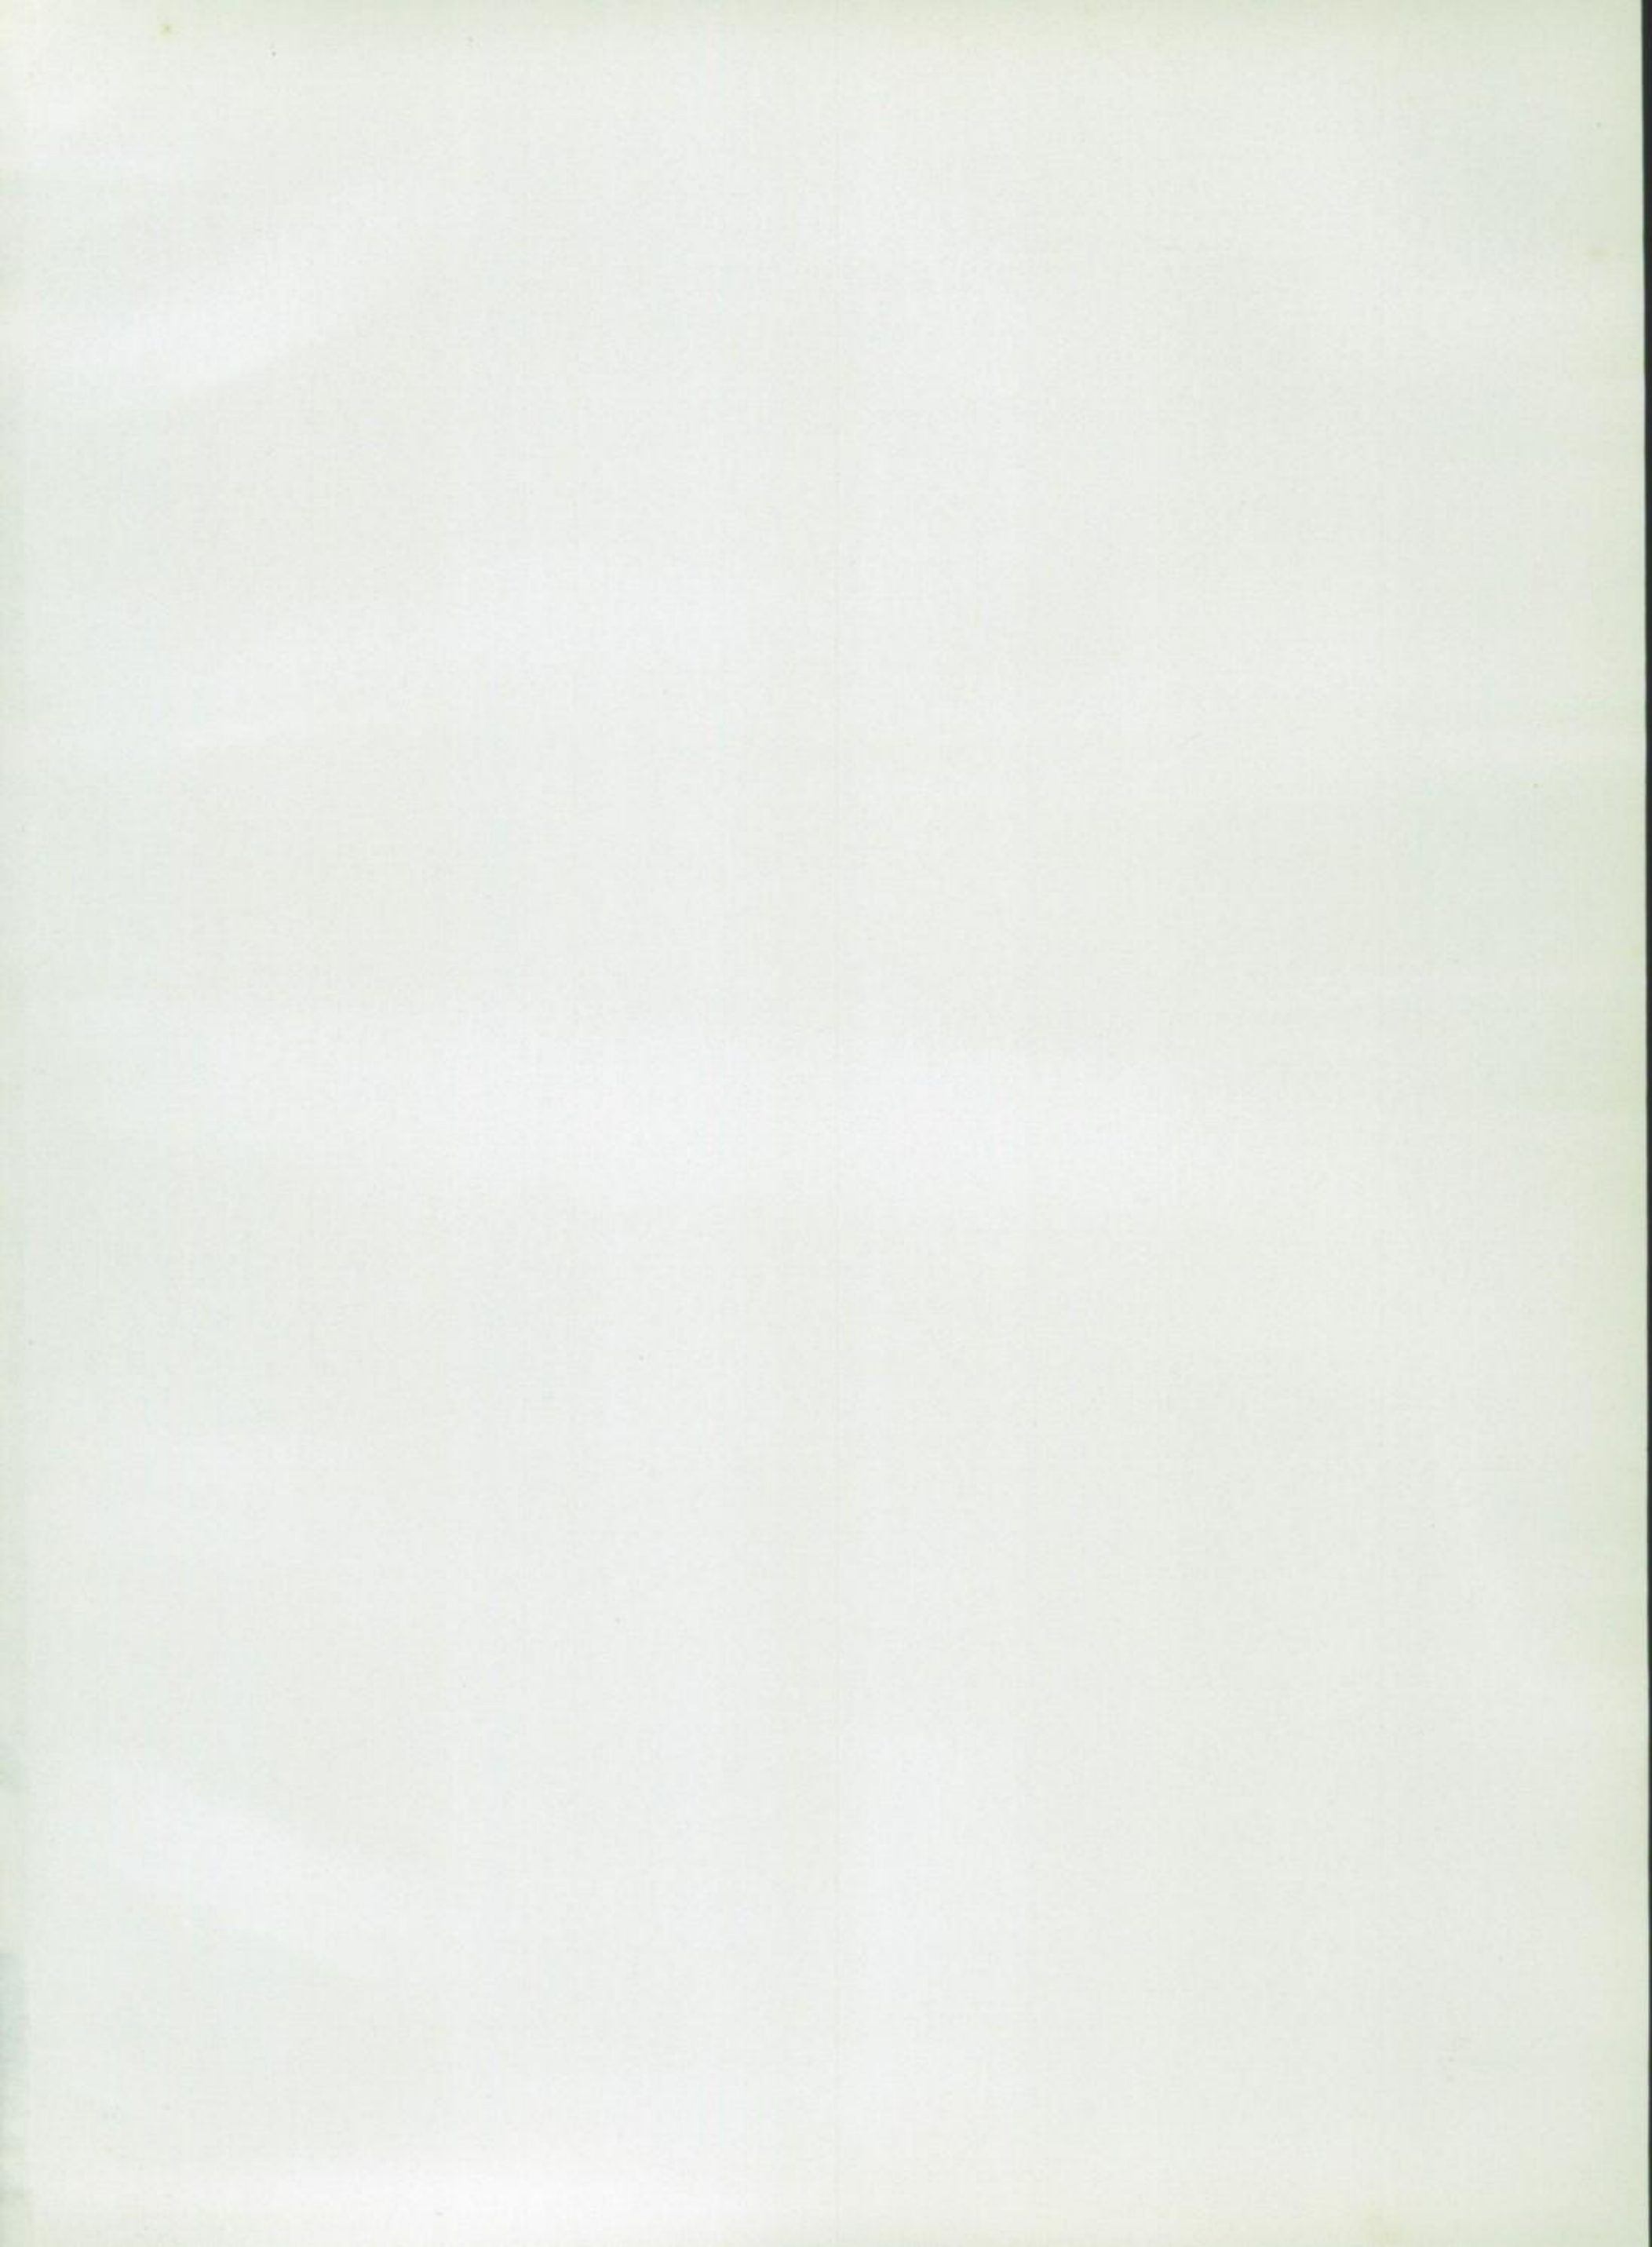

The staff thanks Major (Ret.) George Callow who generously donated pictures he took at the homecoming parade. Several have been used in this book. Appreciation is also extended to Mr. Bill Wright Ottawa, Kansas for extensive photographic assistance and to Mr. Neil McChristy of the Garnett Publishing Company who came to our aid on very short notice when we needed supplies.
